AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-17011/1/2005-IR(M) dated 28.10.2005 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the management of LIC of India in not giving regular status and equal wages to the canteen workers as per list is legal and justified? If not, what relief the workmen are entitled to?”

1. The reference dates back to 28.10.2005. The second party union The Secretary, Bhartiya Jeevan Bima Nigam Chaturth Shreni Karmachari Sangh, C/o LIC of India, Jeevan Prakash, Tilak Road, Ahmedabad, submitted the statement of claim Ex. 5 on 25.03.2006 along with number of documents vide list Ex. 6 for maintaining status quo, alleging that the first party Life Insurance Corporation of India, Ahmedabad Division Office, was running and managing a canteen for their employees in Jeevan Prakash Building since 1973 under its supervision and control through its contractor from the year 1973 to 1978. Thereafter, since 1979, canteen was managed by Staff Co-operative Society of Life Insurance

Corporation of India, continuously and satisfactorily for a long period till 1988. It has been also alleged that the canteen was managed by the first party through its agent Bhanushankar D. Upadhaya who was not a contractor. The said contract was sham and camouflage, just to avoid the rules and regulations. The second party union tired its level best to get the canteen workers absorbed in regular employment but justice was not done to them. The said workers filed a Special Civil Application No. 2747 of 1996 in Gujarat High Court, wherein the High Court ordered to maintain status quo and impleaded Assistant Labour Commissioner as a party. The second party union also raised a dispute before the Assistant Labour Commissioner, Ahmedabad who sent a failure report to the Ministry of Labour, Government of India vide letter number ALC/ADI/5(13)/2005 dated 11.04.2005. The Ministry of Labour, Government of India, vide its letter dated 28.10.2005 made a reference to this tribunal.

2. Thus the second party union on the basis of the aforesaid averments stated that the canteen was managed and regulated by the Life Insurance Corporation of India and the workers working in the canteen were its workmen. The contract was camouflage. Therefore, they deserve to be given regular status with equal wages as the employees of the Life Insurance Corporation of India. The second party union also submitted the number of documents vide list Ex. 9 which are zerox copies.

3. The first party Life Insurance Corporation of India vide its written statement Ex. 12 denied the averments made in the statement of claim and submitted that the reference is not maintainable and void in law. The tribunal has no jurisdiction to decide the reference. The reference is bad for misjoinder and non-joinder of the necessary parties as these labourers were engaged by the contractor and the contractor has not been made the party. The second party was not a workman as defined under Section 2 (s) of Industrial Dispute Act, therefore, there does not exist any dispute as defined under Section 2 (k) of the Industrial Dispute Act. The first party Life Insurance Corporation of India was not under any legal obligation to run a canteen for its employees under the terms and conditions of the service. These labourers were the employees of the contractor. Therefore, the reference is liable to be dismissed for want of master servant relationship with the Life Insurance Corporation of India.

4. One Jeenabhai Kanji Patni moved an application Ex. 28 for amendment of the reference, alleging that the workers in the aforesaid disputes were represented by The Secretary, Bhartiya Jeevan Bima Nigam Chaturth Shreni Karmachari Sangh, C/o LIC of India, Jeevan Prakash, Tilak Road, Ahmedabad, whose President is totally bed ridden and its Secretary has already expired and the workmen of the aforesaid union have now joined Insurance Corporation Employees Union (affiliated to All India LIC Employees Federation), therefore, this new union be permitted to join as party. The said application Ex. 28 was opposed by the first party on the ground of being not maintainable because Bhartiya Jeevan Bima Nigam Chaturth Shreni Karmachari Sangh has filed the affidavit of one Govindbhai M. Vasisht as an evidence on behalf of the second party and this new union has no locus standi as the former union has not filed any objection and no proof has been filed that the former union has been wound up and non-existence and its office bearers have either died or resigned. On this very ground, the application Ex. 28 was rejected on 05.08.2014.

5. The new union has moved an application Ex. 34 praying that they be permitted to contest the reference which is also not maintainable because its application Ex. 28 for joining as party has already been rejected and the consent letter Ex. 35, 36, 37 and 38 requesting to represent them by new union has no significance in the light of the order dated 05.08.2014 rejecting the application Ex. 28. It is also noteworthy that the reference and the statement of claim Ex. 7 are not annexed with the list of the labourers. Therefore, on this very ground also, the consent letter from Ex. 35 to 38 has no significance. It is also noteworthy that the application Ex. 34 was also rejected on 01.08.2017 for non-appearance of the second party union.

6. The second party union was given dozens of opportunities for leading evidence and last opportunity on 12.09.2017, 14.11.2017 and today on 16.01.2018 but the second party union referred in the reference has failed to lead evidence.

7. Thus it appears that second party union is not willing to prosecute the reference.

8. Thus the reference is disposed of in the absence of the evidence of the second party union with the observation as under: "the action of the management of LIC of India in not giving regular status and equal wages to the canteen workers as per list is legal and justified."

REPRESENTATIVES :

For the management : Shri P. K. Goswami, Learned Advocate

For the union (Workman) : Shri S. K. Pandey, Learned Union Representative

Dated: 05.03.2018

AWARD

In exercise of powers conferred by clause (d) of Sub-section(1) and Sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947(14 of 1947), Govt. of India through the Ministry of Labour vide its letter **NO. L-22012/39/2006-IR (CM-II)** dated 30.10.2006 has been pleased to refer the following dispute for adjudication by this Tribunal.

SCHEDULE

“ Whether the action of the management of Barmondia Colliery of ECL in dismissing Sri Arun Kumar Dusadh from service w.e.f. 02.04.2003 is legal and justified? If not, to what relief is the workman entitled? ”

1. Having received the Order **NO. L-22012/39/2006-IR (CM-II)** dated 30.10.2006 of the above said reference from the Govt. of India, Ministry of Labour, New Delhi for adjudication of the dispute, a Reference Case No. **80 of 2006** was registered on 11.12.2006. Accordingly an order to that effect was passed to issue notices through the registered post to the parties concerned, directing them to appear in the court, on the date fixed and to file their written statements along with the relevant documents and a list of witnesses in support of their claims. In pursuance of the said order notices by the registered post were sent to the parties concerned. Both the parties appeared in the Tribunal, through their representative.

2. Case called out. Shri P. K. Goswami, learned advocate appeared on behalf of the management of Barmondia Colliery of M/s. Eastern Coalfields Limited and Shri S. K. Pandey, learned representative of the union was present on behalf of the workman, Shri Arun Kumar Dusadh but he has not filed his authorization.

3. On perusal of the case record I find that the case was fixed for cross-examination of the witness on 27.08.2015. Thereafter 10 (Ten) dates were fixed, resulting elapse of more than 2 (Two) years but the workman did not appear before the court for his cross-examination. Shri S. K. Pandey submits that workman does not want to proceed with the case anymore and the reference may be closed. Since, the workman, Shri Arun Kumar Dusadh does not want to proceed with the case any further, also the reference is about 12 years old – of the year 2006 I find no reason to keep this old record pending without any fruitful result. As such the case is closed and accordingly a ‘No Dispute Award’ is hereby passed.

ORDER

Let an “Award” be and the same is passed as per above discussion. Send the copies of the order to the Govt. of India, Ministry of Labour, New Delhi for information and needful. The reference is accordingly disposed of.

1 By order No. L-22011/03/2016-IR(CM-II) dated 14.09.2016 the Central Government in the Ministry of Labour, New Delhi in exercise of powers conferred by clause (d) of sub section (1) and sub section (2A) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) referred this industrial dispute between Sri Ajay Kumar Singh, Shramik Pratinidhi, FCI, Hardoi and the Kshetra Prabandhak, FCI Hardoi/Sitapur/Faizabad and GM, FCI, Lucknow for adjudication.

2. The reference under adjudication is:

3. After having received the Schedule referred by Govt. of India, the Industrial Dispute case was duly registered in the office of this Tribunal, and notices through registered post were issued to the parties concerned.

4. Learned Authorized Representative for the opposite party recorded her presence before this Court. Later on, adjournment application was moved on behalf of the workmen on 07.03.2017 and 02.05.2017, which was allowed. Parties were advised to avoid undue delay. On subsequent dates although Learned AR for the opposite party Mrs. Neeta Mathur appeared before the court but the workmen or their Learned AR did not appear, neither any adjournment application was moved. Further in the interest of justice fresh notice through registered post was sent to the workmen.

5. Learned AR for the opposite party/FCI has submitted that either grievances of the workmen might have been redressed or they do not intend to further proceed with the case. Learned AR further requested to adjudicate the reference against the workmen.

6. Under the aforesaid circumstances, arguments of Learned AR for the management/opposite party was heard and record was perused. No claim statement has been filed on behalf of the workmen before this Tribunal, although sufficient opportunity was provided and adjournment sought was also granted. Therefore, it seems that the workmen are not interested in pursuing the case. Hence the impugned order passed by the management in allegedly not regularizing workmen and withholding their salary, can not be treated as illegal or improper. The workmen are not entitled to any relief.

7. Award as above.

After completion of departmental enquiry, so called notice was issued by the management and employer dismissed the applicant from 18.10.2013. He filed appeal but appellate authority did not dispose the appeal within the time prescribed.

According to the applicant he raised this dispute before the Assistant Labour Commissioner (C), Nagpur but conciliation proceeding could not be concluded within 45 days so the conciliation officer granted a certificate in favour of applicant to raise an Industrial dispute before the Tribunal. Petitioner submitted this claim on the following ground:-

- i) The departmental inquiry proceeding was concluded with the consent of both party, departmental enquiry according to the workman held as fair and proper but the enquiry officer miserably failed to analyse the evidence. So according to the workman findings of the enquiry officer are not fair but it is perverse so imposing the punishment of dismissal was without application of mind.
- ii) While imposing the punishment of dismissal, according to the workman authority did not take into consideration his 33 years long unblemished service record. So finding thereon is illegal, unfair and perverse.
- iii) According to the applicant he filed an application under section 36(4) of I.D. Act for non appearance of a legal practitioner from the side of management. So dismissal of the service held to be illegal.

Petitioner/workman pray to produce original record of the departmental enquiry, findings of enquiry officer declared as perverse, illegal and unjustified and prayed for reinstatement in the service with full back wages and consequential benefits

3. The party no.1 filed the written statement denying the allegations made in the statement of claim and pleading inter-alia that plea of workman clearly show that applicant himself wanted to discontinued the conciliation proceeding and take up the matter before the Tribunal. It is also denied that the findings of enquiry officer were not based on deposition. They also stated that management representative stated that workman had taken bribe from Shri Ramesh Murade. According to the management punishing authority has very carefully considered the report of enquiry officer and accepted the finding of enquiry officer. He also asserted that punishing authority has fairly imposed the punishment because there were no extenuating circumstances which would warrant a conclusion and finding other than those reach by enquiry officer.

4. It was denied by the management that past record of the workman was not considered. According to the management finding thereon was illogical and perverse. According to the management workman took bribe of Rs. 3000/-. Charge sheet issued against him, there was enquiry report against him, personal hearing opportunity was also given. According to the management after considering all these fact punishing authority imposed fair, proper and

justified punishment and they prayed the workman is not entitled for any relief claimed by him and prayed for dismissal of statement of claim.

5. Workman filed the rejoinder asserting that the statements of prosecution witnesses are not corroborated but defence witnesses according to him are reliable. It is also asserted opportunity of personal hearing granted to the applicant so misconduct have been proved beyond the doubt. According to the workman disciplinary authority passed the order in hast probably due to mounting influence of the outside agency. According to them workman is entitled for all relief claimed by him.

6. In the written statement, management in para 3 to para 5 para 7 & 8 and para 11-A are admitted. It was also admitted that workman was suspended on 27.01.2012 and charge sheet was issued on 27.01.2012. He allowed to resume the duty on 27.07.2012. Workman submitted his reply. Workman also filed conciliation proceeding ALC (c), Nagpur, but he discontinued the conciliation proceeding. Workman also accepted that enquiry proceeding was concluded with consent of both party so he does not want to challenge the validity of departmental enquiry.

7. As this is a case of dismissal of the workman, after holding of a departmental enquiry, the fairness or otherwise of the departmental enquiry was taken for consideration as a preliminary issue and as per order dated 02.02.2015, the departmental enquiry conducted against the workman was held to be legal, proper and in accordance with the principles of natural justice.

8. I want to see the legal position on the basis case law--- Divisional Controller, Karnataka SRTC Vs. M. G. Vittal Rao 2012(3) Mh.L.J 169, Kanhaiyalal Agrawal and ors. Vs. Factory Manager, Gwalior Sugar Co. Ltd. AIR 2001 SC 3645, State Bank of India Vs. Bela Bagchi and ors. AIR 2005 SC 3272, Binny Ltd Vs. Their Workmen and Ors. AIR 1972 SC 1975, Indian Airlines Ltd. Vs. Prabha D Kanan, AIR 2007 SC 548 and Pandiyan Roadways Corpn. Ltd. In the case law of Purushottam Lal Dhingra AIR 1958 SC-36, State of HP Vs. Suresh Kumar Verma (1996) 7 SCC-562, Gurusharan Singh Vs. New Delhi Municipal Committee 1996 2 SCC – 459, Workmen vs. Firestone tyre & Rubber Co. of India (P) ltd., AIR 1973 SC-1227 and Union of India and another vs Tulsiram Patel and others, AIR 1985 SC 1416.

If the Tribunal comes to the conclusion that the misconduct is established, either by the domestic enquiry accepted by it or by the evidence adduced before it for the first time, the Tribunal originally had no power to interfere with the punishment imposed by the management. Once the misconduct is proved, the Tribunal had to sustain the order of punishment unless it was harsh indicating victimization. Under section 11-A, though the Tribunal may hold that the misconduct is proved, nevertheless it may be of the opinion that the order of discharge or dismissal for the said misconduct is not justified. It can, under such circumstances, award workman only lesser punishment instead. The power to interfere with the punishment and alter the same has been now conferred on the Tribunal by S.11-A.

The Tribunal is now clothed with the power to reappraise the evidence in the domestic enquiry and satisfy itself whether the said evidence relied on by an employer establishes the misconduct alleged against a workman. What was originally a plausible conclusion that could be drawn by an employer from the evidence, has not given place to a satisfaction being arrived at by the Tribunal that the finding of misconduct is correct? The Tribunal is now at liberty to consider not only whether the finding of misconduct recorded by an employer is correct, but also to differ from the said finding if a proper case is made out.

It is not obligatory upon the disciplinary authority to dispense with the whole of the inquiry. Depending upon the circumstances of the case, the disciplinary authority can dispense with only a part of the inquiry ---- Imposition of penalty is not a part of the inquiry -----

Where public interest conflict with private interest the latter must yield to former----

“Sympathy and commiseration cannot be allowed to outweigh considerations of public policy, concern for public interest, regard for public interest, regard for public good and the peremptory dictate of a Constitutional prohibition” ----
“In Maneka Gandhi’s case and in Liberty Oil Mills and others v. Union of India and others (1984) 3 S.C.C. 465 the right to make a representation after an action was taken was held to be a sufficient remedy, and an appeal is a much wider and more effective remedy than a right of making a representation”.

Court laid down the test for loss of confidence to find out as to whether there was bona fide loss of confidence in the employee, observing that, (i) the workman is holding the position of trust and confidence; (ii) by abusing such position, he commits an act which results in forfeiting the same; and (iii) to continue him in service/establishment would be embarrassing and inconvenient to the employer, or would be detrimental to the discipline or security of the establishment.

An employer is not bound to keep an employee in service with whom relations have reached the point of complete loss of confidence/faith between the two.

“Loss of confidence cannot be subjective but there must be objective facts which would lead to a definite inference of apprehension in the mind of the employer regarding trustworthiness of the employee and which must be alleged and proved.”

On behalf of petitioner they filed written notes on argument by stating that there was a serious lapse on disciplinary authority and punishment of workman also disproportionate. He pray that he reinstated with full back wages and consequential benefits. On contrary management oppose this argument by saying that misconduct was of very grievous nature and standing order applicable to him. She also argued that there was no extenuating circumstance, which would warrant a conclusion and decision other than those reached by the enquiry officer. But on behalf of management no written notes of argument was submitted nor they produce departmental enquiry proceedings after direction of this court. Now we discuss the argument in the light of principles laid down in the above case laws:-

- i) On behalf of the workman it is argued that employer with the stipulated time of three months even though appeal was rejected, the disciplinary authority the copy of the proceeding of the personal hearing have not been supplied, there was a serious lapses on the part of disciplinary authority and copy was supplied belatedly. On the contrary this fact was denied by the management. After all workman also admitted in statement of claim para no. 11(A)(a) “that departmental enquiry proceeding was concluded with the consent of both parties. So he does not want to challenge the departmental enquiry held against the workman as the same was fair and proper”. So in my opinion these arguments are not tenable in this stage because my predecessor officer has also confirmed these observations in order sheet dated 02.02.2015.
- ii) On behalf of the petitioner it was also argued that before the conciliation officer/Assistant Labour Commissioner (C), Nagpur he challenge dismissal from services but within 45 days conciliation proceeding is not completed so ALC gave a certificate to approach the Tribunal. On the contrary this fact was denied by the management by stating that petitioner himself wanted to discontinue the conciliation proceeding and take up the matter before the Tribunal. This fact is supported by the document but I.D. Act the section 2A of 2 permits such proceeding, hence allowed i.e. this court have a jurisdiction to entertain such proceeding.
- iii) Petitioner on written notes argued that Ramesh Murade (complainant of criminal proceeding), accepted that there was financial dealing between complainant and workman. This fact is also denied by the management on behalf of the workman they produce two documents at the time of argument in which one is concern complainant consent dated 15.10.2013 in which he accepted such type of transaction but other document is CBI court statement dated 11.10.2014 of complainant in which he denied all these facts. That show that it is after thought defense. My reason is also that these facts are not taken in statement of claim and rejoinder, so in my humble opinion this defence is not tenable at that stage.
- iv) On behalf of the workman it is also argued that in the departmental enquiry the management representative submitted the list of documents but in the departmental enquiry neither the management representative nor the management witnesses had verified and proved the document. He also argued that in the departmental enquiry appreciation of evidence was not proper but in my opinion this argument was not tenable when my predecessor held on basis of admission that, departmental enquiry was legal proper and in accordance with the principles of natural justice.
- v) On behalf of the workman it is argued that in absence of establishing a prima facie case about the charges leveled against the workman accepting the false and incorrect finding of enquiry officer and imposing punishment of dismissal workman from services is totally harass and disproportionate. This fact is denied by the management. As I observed that management does not file copies of departmental enquiry proceedings but same is filed by the workman which is not denied by the management that show that punishing officer and appellate officer applied their mind before deciding punishment and appeal respectively. It is also clear that this Tribunal is not an appellate court so it has no such power as appellate court has.

Judging the present case in hand with the touch stone of the principles as mentioned above, it is found that law is well settled that where principles of natural justice are not complied with then in such cases compensation is out to be granted because termination of the services in my opinion is valid.

12. In view of the discussion made above and the materials on record, it is found that there is no scope to interfere with the order punishment of dismissal from services past against the workman. Hence, it is ordered:-

Hence, it is ordered:-

ORDER

The action of the management of Sub Area Manager, Makardhokda Sub Area, WCL in dismissing the workman Shri Baliram Nilkanth Meshram from services w.e.f. 18.10.2013 is held to be legal proper and justified. The workman is not entitled for any relief.

A W A R D

1. The present reference arose out of an Industrial Dispute between the claimant/workman Sri Sankar Nath and the Management of United Bank of India. According to the Central Government, an Industrial Dispute exists between the Management of United Bank of India and their workman in respect of the matters which have been specified in the Schedule as under:

SCHEDULE

“Whether the action of the Chief Regional Manager, United Bank of India, Cachar Region, Silchar in terminating the service of Shri Sankar Nath from the United Bank of India, Dullabcherra Branch who has rendered continuous 17(seventeen) years of services at different places is justified?” If so, whether Shri Sankar Nath is entitled to be regularized or at least be reinstated?”

2. After receipt of the reference from the appropriate Government, notices were issued to the concerned parties. Claimant Sankar Nath as well as the Management of United Bank of India submitted their Written Statements.

3. According to the claimant he was initially engaged as a Canteen boy and a casual worker at Dullabcherra Branch of United Bank of India on 20.02.1991. According to him Annexure-1 & 2 are his appointment letters. Although on perusal of Annexure-I & 2 it appears that these are not the appointment letters issued by the Bank. He also referred to Annexure-3 & 4 of his claim application and claimed that as per these documents he was appointed as night guard on casual basis in the aforesaid Branch of the United Bank of India with effect from 03.09.2002. He further stated that on 12.11.2003 he submitted an application to the Bank for his posting as a regular Peon of the Bank. Copy of the aforesaid application was annexed as Annexure-5. He also submitted, along with his claim application, a letter written by him to the General Secretary, United Bank of India Employees Association (Central Committee). He also submitted a copy of a certificate issued by the then Manager of United Bank of India, Dullebcherra Branch, Karimganj certifying that the claimant has been working in the aforesaid Branch as a Canteen Cook and a casual labour since 1991. Copy of another certificate which was submitted as Annexure-8 indicated that he has been working regularly with effect from 01.01.2003 as a casual worker on daily basis since last 10 years and the aforesaid certificate appears to have been issued in the year 2003. Copies of several other documents were submitted by the claimant stating that these were indicative of his casual/temporary employment in Dullebcherra Branch of United Bank of India. It was also claimed that subsequently he was transferred from Dullebcherra Branch of United Bank of India to New Mizoram University Branch of the UBI. His case was that suddenly his employment in the aforesaid Bank was discontinued causing immense suffering and inconveniences to him. It was also stated that the management terminated his service in an arbitrary manner. He further stated that after his termination, Branch Manager of Dullebcherra Branch wrote a letter to the Chief Regional Manager, UBI, Cachar Region requesting him for reconsideration of his case but the higher authority did not reinstate him in the service. He also stated that thereafter he made several correspondences with the Bank Authorities but did not get any relief. His main prayer in the claim statement was reinstatement of his service in a permanent job in United Bank of India, Dullebcherra Branch.

4. Management side denied all the claims of the claimant. The management, in brief, stated that the claimant Sankar Nath was never appointed by the Bank in any temporary or casual basis and that is why no proper appointment letter could be shown by the claimant in support of his claim. According to the management since no relationship of employer and employee existed between the claimant and the management there was no question of him succeeding in the present reference. They categorically stated that Sankar Nath was not a workman within the meaning of 2(s) of I.D.Act, 1947. It was further stated that the claimant was a canteen boy of UBI, Dullebcherra Branch and was engaged by the canteen Committee and it was canteen committee which used to pay his wages. It was further stated that the Bank has/had no supervisory control over any canteen boy. It is further stated that the United Bank of India is a Public Institution and any employment can only be offered for a public post following a due procedure of recruitment. They also referred to a decision of Hon’ble Supreme Court in “State Bank of India & Ors –vs– State Bank of India Canteen Employees Union & Ors”, reported in (2002) 5 SCC 531 wherein, according to the management side, the Hon’ble Supreme Court held that employees of the canteen run by the canteen committee are not employed by the State Bank of India as there is no statutory or contractual obligation under Shastri Award on the Bank to run such canteen. It was specifically stated in the W.S. that the management of the Bank in the present reference is similarly situated as that of State Bank of India so far as the aforesaid case is concerned. In paragraph 8 of the W.S. the management stated :-

“8. That opposite party begs to state that although the claimant was sent to Mizoram with some materials but he came back from Mizoram without any intimation and he did not come to the Regional Office and after that there was no communication with him. Surprisingly, all of a sudden, after lapse of more than 5 years, he came up with his claim for reinstatement with the help of some character certificate issued by a few Managers of the Bank to enable him to seek jobs elsewhere. Moreover, the claimant Sri Sankar Nath, was working as a casual employee in the canteen of the Branch which is not at all a criteria for his absorption/regularization/recruitment in the services of the Bank.”

On the basis of the aforesaid plea the management prayed for dismissing the claim of the claimant.

5. Workman side examined 5 witnesses whereas management side examined 2 (two). Workman witness No.1 Smti Baby Baidya stated in her examination in chief that from May, 2004 to September, 2010 she worked in the Computer Section in United Bank of India, Dullebcherra Branch as casual employee and after her joining she saw Sankar Nath working as Peon on casual basis. She further stated that in the month of November, 2008 the claimant was discharged from service by the management as per instruction of the Regional Manager and thereafter in the year 2010 she was also discharged. She further stated that no appointment letter was issued to her and the vouchers of payment of wages were maintained by the Bank and no document were supplied to them by the Bank in that regard. She also stated that Sankar Nath was engaged as night Guard and sometimes as Generator operator of the Bank. She also stated that after his discharge Sankar Nath approached the management for his reinstatement but failed.

6. During cross-examination workman witness No.1 admitted that initially Sankar Nath was working as a canteen boy. She further admitted that she did not see any document regarding appointment of Sankar Nath in Dullebcherra Branch of UBI. She also stated in her cross-examination that she had seen the workman doing job of Peon such as, serving tea, carrying records, operating Generator, etc. in the Branch.

7. Workman witness No.2 i.e. the claimant Sankar Nath stated that in the year 1991 he was first appointed in Dullebcherra Branch of UBI as canteen boy by the canteen Committee. He proved the relevant document as Exhibit-1. He also stated that the then Branch Manager Mr. Amal Kr. Sen asked him to work in the Bank and allotted him the work of carrying records, files etc. both inside the Bank and outside and also to do the work of sweeping and cleaning of the Bank premises. He also proved the certificate issued to him by the then Branch Manager Mr. How Ching Mong. He also proved 2 more certificates issued to him by the then Branch Manager Mr. Kinsuk Barman as Exhibit-3 & 4. He also proved some of the certificates issued to him by the then authorities as Exhibit-5 and 6. He further stated that his wages were paid by the Bank in his Bank Account No. S/A 5272 maintained in United Bank of India, Dullebcherra Branch against which no Pass Book was supplied to him. He further stated that in the month of January, 2006 one day some dacoits attacked the Branch and in the incident he along with others sustained injuries and had to be treated in the Hospital. He also stated that vide letter dated 28.07.2008 issued by the Sr. Manager, Administration he was shifted to New Mizoram University Branch of UBI wherein at the time of opening ceremony the temporary pandel constructed for opening ceremony had been blown away and he sustained injury and was admitted to hospital. He also stated that in the month of November, 2008 his service was discontinued by the Bank and in spite of his repeated requests he was not reinstated. He further stated that in this connection an Industrial Dispute was raised for regularization of the casual employees/ canteen boys which was referred to this Tribunal vide Reference Case No. 20 of 2004 and the said Reference was disposed with an Award in favour of the workmen.

8. During cross-examination he stated that he was shown as a casual employee of the Bank but denied that his wages were paid by the canteen Committee. He however stated that after an advertisement by the Bank for appointment of Peons he applied to the Bank but he was not appointed. He denied the suggestion that since he was engaged as a canteen boy he was never an employee of the Bank.

9. Workman witness No. 3, Sri Chandra Kanta Sinha stated that in the year 2006-07 he met Sankar Nath (claimant) in UBI, Dullebcherra Branch when he visited the Bank and he saw Sankar Nath working as Peon carrying records/files/folios etc. within the Bank premises. He also stated about the robbery that took place in the Branch in which the claimant sustained injuries.

10. During cross-examination the witness admitted that the workman has not been able to show any document regarding his engagement in Dullebcherra Branch of UBI as a casual employee.

11. Workman witness No. 4, Sri Bhupendra Kumar Nath stated that the claimant had been working as Peon on casual basis and after 15 years of his service he was discharged by the Bank without any reason.

12. During cross-examination he admitted that there was a canteen where he saw Sankar Nath carrying tea for the staffs and officers of the Bank. He also stated that he saw Sankar Nath carrying Bank's files and records.

13. Workman witness No. 5, Sri Subhash Ch. Nath, own brother of the claimant, stated that it is he who in consultation with the then Branch Manager of the Branch Mr. Amal Sen in the year 1991 arranged the job of canteen boy

for his brother and for about 2/3 years Sankar Nath worked as canteen boy and thereafter he was engaged as Peon of the Bank for doing office works.

14. During cross-examination he admitted that canteen of the aforesaid Branch of the Bank was maintained and run by the staff committee. He further stated in the cross-examination that at the time of his disengagement he was casual employee. The witness however admitted that no document has been submitted to show that claimant was entrusted with the duties of Peon.

15. MW.1 & M.W.2 submitted their examination-in-chief on Affidavit which were more or less same in facts and contents wherein they stated that Sankar Nath was never appointed by the Bank at any point of time nor he was terminated by the Bank since he was never appointed by the Bank. Both of them stated that since there was no relationship of employer and employee between the management and the claimant Sankar Nath, he cannot be considered as a workman within the meaning of Industrial Dispute Act. Both of them stated that Sankar Nath was a canteen boy and the canteen boys are not the employees of the Bank.

Their wages were paid by the respective canteen committee.

16. During cross-examination MW.1 Sri Amarendra Nag admitted that Exhibit-2 to 7 appears to have been issued by the Bank. He also stated during his cross-examination that while he was working as Branch Manager the claimant was working as canteen boy but the Bank did not issue any formal letter to him in the year 2007-08. He also stated that the entire Branch was housed in one building which also constituted the canteen premises apart from the Bank premises and room for the security. Management witness No.2 during his cross-examination, also stated that Sankar Nath was a canteen boy and not an employee of the Bank and Canteen Boy was never issued any formal appointment letter so question of formal dismissal of Sankar Nath did not arise. When Exhibit-9 was shown to him he stated that he could not make any comment on that. During cross-examination he stated that in the Bank, earlier, canteen boys who worked for more than 15 years were decided to be absorbed as Messengers in the Bank and in that principle some of the canteen boys were appointed by the Bank. He further stated that Generators in Banks are taken on contract basis on calling tender and Generator Operators were engaged by the person who supplied Generator to the Bank. On being shown Exhibit-7 the witness admitted that the same appears to be an Identity Card but at the same time he stated that he cannot certify the authenticity because he was not the signatory of that document. It may be mentioned here that Exhibit-7 was in the name of Sankar Nath showing him as Peon.

17. During argument learned counsel appearing for the workman side submitted that the various documents and more particularly Exhibit-7 showed that the workman was engaged as a peon in Dullebcherra Branch of UBI and hence, he was the workman of the Bank and so the management should not have discontinued his service or dismiss him arbitrarily. He also referred to a decision of Hon'ble Supreme Court in "Durgapur Casual Workers's Union—vs—Food Corporation of India" reported in (2015) 5 SCC 786 wherein it was held that termination of service of a workman who has worked for more than one year, without any enquiry and/or without payment of mandatory compensation is a violation of Sec 25F of the I.D.Act. He further submitted that in spite of recommendation of the then Branch Manager to the Chief Regional Manager vide Exhibit-9 the management of the Bank did not consider the case of reengagement of Sankar Nath. He also referred to the "Award" of Reference Case No.20 of 2004 wherein this Tribunal directed the management of the Bank to consider regular employment of 97 workmen engaged as canteen boys and Shankar Nath was one of those 97 workmen. It may be mentioned here that during proceeding of this reference, records of Reference case No. 20 of 2004 was also called for.

18. The learned Counsel engaged for the management side submitted that since the claimant was never an employee of the Bank he could not be treated as workman and hence, no relief could be granted to him within the provisions of the I.D.Act. He also stated that the claimant was a canteen boy and hence, could not be held to be an employee of the Bank and in this connection he referred to the decision of the Hon'ble Supreme Court in "State Bank of India and Ors –vs— State Bank of India Canteen Employees Union and Ors" (Supra). He also referred to the decision of Hon'ble Supreme Court in "Secretary, State of Karnataka & Ors—vs—Umadevi & Ors" reported in (2006) 4 SCC 1 wherein it was observed that no recruitment/appointment can be made without following the proper recruitment rules.

19. The learned Counsel for the workman side, during argument, also referred to the Award of Reference Case No.20 of 2004 which relates to the regularization of 97 workmen in subordinate cadre as per the list attached. In the aforesaid list, name of the present claimant Sri Sankar Nath figures at serial No. 47 and it has been mentioned that he has been engaged since June, 1993. This Reference was decided vide Award dated 25.10.2010 of this Tribunal with the following direction :

"Having heard both sides and having considered the entirety of the facts and circumstances of the matter, the Management Bank is hereby directed to take appropriate step, if not taken already for proper implementation of the Circular under reference in letter and spirit. If the canteen boys/workmen are found suitable for appointment in view of the above circular their case may be considered by the Management Bank."

20. The basic premise of the argument of the workman side was that though the claimant was first engaged as canteen boy, subsequently he was engaged by the Bank from time to time as casual labour as would be evident from Exhibit-2, 3, 4, 5, and 7. In his evidence the workman side proved the aforesaid documents which appeared to have indicated that he has been working in the Dullebcherra Branch of the United Bank of India as canteen boy as well as casual labour in the rank of Peon from time to time. Exhibit-7 appears to be an Identity Card issued by the then Branch Manager of the Branch wherein the designation of the claimant was mentioned as Peon. The authenticity of Exhibit-7 has not been categorically denied by the management side. When confronted with Exhibit-7 management witness No.2 during his cross-examination, stated is as under :

“ I have been shown Exhibit-7 which appears to be Identity Card but I cannot vouch for its authenticity because I was not the authority and signatory of that Identity Card.”

It was for the management to establish that the aforesaid Identity Card was not authentic and concocted one but there is no such evidence in this matter to indicate that Exhibit-7 was manufactured or cooked. Admittedly there is no appointment letter about engagement of the claimant in the Bank directly as a casual labour. His initial appointment, as would be evident from Exhibit-1, was as canteen boy and the appointment was given by the canteen Committee. But Exhibit-2, 3, and 4 also indicate that apart from being a canteen Boy he was certified to have worked as a casual worker of the Bank by several Managers of the Bank from time to time. There is no case of the management that these certificates were also not genuine. Exhibit-8 is a copy of a Circular issued by the Top management of the United Bank of India wherein a Policy was adopted for absorption of canteen Boys/Care Taker as sub Staff in the Bank as one time measure. Ext-9 proved by the claimant (W.W No.2), was a letter written by the Manager of the concerned branch of the Bank to the Chief Regional Manager requesting him to reconsider reemployment of Shankar Nath as canteen boy assuring that in future he would not be allowed to touch bank voucher/register etc. From this letter it clearly appeared that the services of the claimant, in whatever capacity, was discontinued at the “instruction” of the higher authority and the immediate authority in the concerned Branch of the Bank requested the higher authority to reconsider his case. However, the higher authority did not respond. The engagement of the claimant was discontinued and after about five years of such disengagement he approached the appropriate authority raising an industrial dispute. In the aforesaid factual background it appears to me to be justified to give at least a monetary compensation to the claimant, apart from any other relief subject to eligibility criteria. The United Bank of India is, therefore, directed to pay a compensation of Rs.1 lac (Rupees One lac) to the claimant Shankar Nath apart from the relief given in the Award of Reference Case No.20 of 2004. By the aforesaid “Award” this Tribunal directed the management to consider the matter of regularization of the 97 workmen subject to their eligibility as per the Rules framed by the Bank. Admittedly the present claimant was also one of the workmen involved in the earlier Reference case No.20 of 2004. It also appears that the Award given by this Tribunal in Reference Case No.20 of 2004 dated 25.10.2010 has attained finality. It was, therefore, the duty of the management to implement the Award. Naturally, during such implementation the present claimant Sankar Nath also was required to be considered. There is, however, nothing on record to show that the management implemented the Award of Reference Case No.20 of 2004.

21. On consideration of the materials on record as well as the submission made by both the sides it appeared to me that claimant Sankar Nath was a canteen Boy of United Bank of India, Dullebcherra Branch and some time he was also engaged by the Bank, though without any written order, to work as casual worker in the Bank. Certain exhibits and more particularly Exhibit-7 & Ext-9 would show that at some point of time claimant Sankar Nath also worked as Casual Peon in UBI, Dullebcherra branch. But there is no material to indicate the exact period of his engagement in the bank as casual worker. His service was discontinued in the year 2008. It is also absolutely clear from the Award of Reference Case No. 20 of 2004 that a direction was given by this Tribunal to the management of the Bank to consider regularization of 97 workmen in subordinate cadre of the Bank as per the eligibility criteria mentioned in the Circular of the Bank No.PD/DIR/31/OM-370/2003 DATE 29-10-2003. Admittedly present claimant Sankar Nath is one of those 97 workmen but there is nothing on record to show whether his case was considered by the management or not. It, therefore, appears to me that the present reference can be disposed of with the following directions.

22. The management of the United Bank of India shall take appropriate steps to implement the Circular of the Bank No. PD/DIR/31/OM-370/2003 DATE 29-10-2003 in respect of absorption of Sri Shankar Nath in the subordinate cadre of the Bank subject to his eligibility in terms and provision of the aforementioned circular issued by the bank. The management shall complete the above process within three months from the date of the receipt of a copy of this Award and shall also inform Sri Shankar Nath about the outcome. The management of the concerned Bank shall also pay a compensation of Rs.1 lac (Rupees one lac only) to the claimant/petitioner Shankar Nath within three months from the date of receipt of a copy of this Award. With the aforesaid direction the present Reference stands disposed.

Given under the hand and seal of this Tribunal on this 20th day of February, 2018 at Guwahati.

AWARD

The matrix of the facts as culled out from the proceedings are as under :

1. This is reference made by the Central Government in exercise of powers under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 vide Government of India, Ministry of Labour & Employment, New Delhi vide its order No. L-12012/10/2001 – IR (B-II) dated 26.04.2001. The terms of reference given in the schedule are as follows :

“Whether the action of the management of Bank of Baroda, Nashik in dismissing the services of Mr. Vishnu V. Menon w.e.f. 14.12.1993 is legal and justified ? If not, what relief the workman concerned is entitled to ?”

2. Claim Statement is filed by the Workman at Exhibit 13 making out the case that, he was suspended from duty by order dated 23rd November, 1990 alleging that, he involved the Bank in serious loss and subsequently chargesheet dated 6th March, 1991 for the said alleged misconduct. The allegation leveled against the concerned workman was that, he

gave bogus credit and allowed the customer to withdraw against these bogus credit facility by which he defrauded the Bank for the total amount of Rs. 60,000/-. He replied the charge sheet and denied the charges leveled against him.

3. It is alleged by the 2nd party that, the enquiry conducted against him was not conducted as per the principles of natural justice. Though he requested the Inquiry officer to allow him to be represented by Legal Practitioner to defend his case since charges were of serious nature, he was not permitted to do so. Said request was made by him vide his letter dated 26.9.1991. However, he was not permitted to take help of legal practitioner. He further submitted that, the documents demanded by him, as mentioned in paragraph 5 of the Claim Statement, were not provided for clarification and to make out his case. Even Forensic Laboratory report was not made available. It was not considered by Enquiry officer. He was not allowed to examine witnesses whose names were given to the Enquiry officer. Even Management did not made available these witness as they were employees of the Bank and even though he had made application to bring them before the Enquiry Committee. Besides Enquiry officer was bias. He did not consider the explanation of the concerned workman. The finding given by him is not based on evidence recorded by him. He was favouring the Management. He did not call the witnesses nor direct Management to keep witnesses present. The decision given by him is nonest in evidence which is perverse. So it is submitted that, the action taken by the Management on the basis of the same be declared as null and void and requested to direct the Management to reinstate him with payment of full back wages and continuity of service.

4. This is disputed by the 1st party Bank by filing written statement at Exhibit 19 stating that, Reference itself is not tenable and ought to be rejected. It is stated that, the workman was dismissed from the employment with effect from 14.12.1993 by following due process of law. He did not avail the opportunity to prefer appeal on the decision taken by the Management. He challenged the said order after two years without explaining the delay. Even he did not appear before the Conciliation officer. It is stated that, workman was not interested in the employment of the 1st party and after termination he took employment abroad and did not pursue his dispute. It is contended that, dispute raised after long time does not require to consider at this late stage. Delay is not explained though dispute is raised after seven years by the concerned workman. Since allegations leveled against the concerned workman were of serious nature and action is taken against him relying on the findings of the Enquiry Committee conducted by the Enquiry officer enquiry which was fair and proper and by following proper procedure, and also principles of natural justice and due process of law. It is stated that, the concerned workman made bogus credit entry of Rs. 25,000/- on 26.5.1990 in Saving Bank Account No. 13783 of Dr. S.G. Mungase. It is alleged that he also made false initial against this credit entry in the Ledger so as to show the entry and balance arrived thereafter in the account are duly authenticated and to mislead the other officers / officers of the Bank. It is alleged that, thereafter on 1.1.1990 and on 2.6.1990 he allowed the withdrawal from the said account by bogus credit of Rs. 25,000/- i.e. he posted the withdrawals and sent them for payment even though he was aware of the above credit given in the said Saving bank account. It is alleged that, he made false entry of Rs. 25,000/- in the Saving bank account and supplementary against Ledger No. 45 of 26.5.1990. It is alleged that, even about the account of Dr. Mungase he put the positing mark on these cheques and thereby misled the passing officers and paying cashier and got these cheques passed and paid, when infact, these cheques were not at all posted in the ledger nor, was there balance in the account entry dated 18.5.1990 of Rs.10,000/- and 25.6.1990 of Rs.25,000/-. It is alleged that, with the help of these entries he received Rs.10,000/- on 18th May, 1990. It is also alleged that, by giving bogus credit allowed to withdraw Rs. 60,000/- and thus defrauded the Bank for the total amount of Rs. 60,000/-. These charges were intimated to 2nd party, enquiry was conducted after giving him full opportunity and after going through the evidence led by both Enquiry officer, concluded concerned workmen guilty of the charges on which punishment of dismissal was recommended.

5. It is denied that, enquiry was not fair and proper. It is denied that, finding of the Enquiry Officer is perverse. It is stated that, the finding is well reasoned and the decision taken by the Enquiry Officer is fully based on the evidence recorded. It is stated that, the decision taken by the Management on the basis of the said enquiry does not require to interfere. So it is prayed that the Reference be rejected.

6. 2nd Party filed rejoinder at Exhibit 22 denying the statements made by the bank.

7. This tribunal has passed award on 27.2.2009 and held that the reference does not suffer from delay and laches. It is held that domestic enquiry conducted against the workman was not as per the principles of natural justice and the findings of the Enquiry Officer are perverse. However, the 1st party was given opportunity to justify its action in the next stage of reference.

8. In view of that the 1st party bank has adduced evidence of Vishwasrao D. Patil at Ex.40. He was cross examined by the advocate of the concerned workman. Thereafter the concerned workman has filed his affidavit at Ex.51 but thereafter he remained absent. He has not subjected himself for cross-examination. The Learned Counsel for the concerned workman filed pursis Ex.68 mentioning therein that the workman is not contacting him since long and the letter sent to workman also returned back. It is mentioned in the pursis that since the whereabouts of the concerned workman are not known, he is withdrawing his appearance in the reference. The fact remains that the concerned

workman has not subjected himself for cross-examination after the evidence of the management was recorded and therefore his affidavit at Ex.51 cannot be considered.

9. Following issues No. 4 & 5 framed at Ex.23 arise in for my determination and my findings thereon for the reasons to follow are as under:

Sr. No.	Issues	Findings
4.	Whether the action of the management of Bank of Baroda, Nashik in dismissing the services of Mr. Vishnu V. Menon w.e.f. 14.12.1993 is legal and justified ?	Yes
5.	What relief the workman is entitled to ?	No

REASONS

Issue No. 4.

10. So far charges leveled against 2nd party workman are as follows.

- (1) Vide charge dt. 16.3.91 it was alleged against him that while he was working as Cash clerk at Malegaon Branch, it had been reported against him that
 - (i) He made bogus credit entry of Rs.25,000/- as on 26.5.90 in the Saving bank a/c. No. 13783 of Dr. S.G. Mungase. He also made the false initial against the credit entry in the ledger so as to show the entry and balance arrived thereafter in account are duly authenticated and to mislead other employees / officers.
 - (ii) Thereafter on 1.6.90 and 2.6.90 he had allowed the withdrawals from the account against the bogus credit, though he posted the withdrawals and send them for payment even though he was aware of the bogus credit given in the account. He also made a false credit entry of Rs.25,000/- in the saving bank supplementary against ledger No. 45 of 26.5.90 after it was checked by the officer.
- (2) Second charge against him was that he put the posting marks on the cheque No. 250139 dt. 18.5.90 of Rs.10,000/- and cheque No. 250230 dt. 25.6.90 of Rs.25,000/- and thereby misled the passing officer and the paying cashier and got these cheques passed and paid, when infact these cheques were not at all posted in the ledger nor was there balance in the account of which he was fully aware. It is also alleged that at the time of ledger checking by the officers he kept these cheques with him so as to hide the above from them.
- (3) Third charge against him was that from the withdrawals made from the account he had collected and received the payment of Rs.10,000/- in respect of cheque No. 250139 dt. 18.5.90.
- (4) 4th charge against him was that by giving bogus credit and allowing withdrawals against them and also allowing withdrawals he had defrauded the bank for total amount of Rs.60,000/-.

11. For the aforesaid allegations he was charged as under.

- (1) Doing fraudulent acts.
- (2) Mis-appropriation of bank's funds.
- (3) Doing acts 'pre-judicial' and detriment to the interest of the bank.
- (4) Knowingly and willingly violating the bank rules and established procedure.
- (5) Misuse of the office and breach of trust reposed in him.
- (6) Doing acts of lack of integrity and honesty.
- (7) Doing acts causing loss to the bank.
- (8) Doing acts unbecoming the bank employee.

12. As a matter of fact, enquiry was conducted and as per Award Part – I, it was held that the findings are perverse. But then the first party bank was given opportunity to justify its action and to prove the charge by adducing evidence. It is in that circumstances the evidence of Vishwasrao D. Patil is to be scrutinized.

13. From the evidence of Vishwasrao D. Patil it appears that he was management witness in the said enquiry. Obviously, he is conversant with the charges framed against the second party workman. He in his evidence while referring to Ex. ME.1 to ME.9 from Pg. 1 – 22 of Ex.22 and Ex. ME11 to ME11 from pg. 27 to 39 has asserted that on the basis of these documents the charges leveled against the concerned workman have been established. His evidence is

also to the effect that Dr. Mungase was holding SB A/c. No. 13783 at the bank Malegaon branch. According to his evidence Ex.8 is the copy of self-drawn cheque dt. 18.5.90 issued by Dr. Mungase and the said cheque indicates that it was posted in the ledger folio of Dr. Mungase. The posting entries on the said cheques have been made by the second party workman. But then as per the record, the ledger folio of Dr. Mungase Ex.32 shows that the posting of Ex.ME.8 has not been done in the ledger folio of Dr. Mungase's S.B. Account. As per record the balance in Dr. Mungase's account as on 17.5.90 was Rs.114.0. However, the payment scroll i.e. Ex. DE.9 and DE.10 at pg. 52 & 53 of Ex.32 records that the amount of Rs.10,000/- as per self drawn cheque at Ex. ME.8 has been withdrawn and the said entry was posted by the second party workman. Ex. ME. 8 on its reverse side at Pg. 22 of Ex.32 reveals that the payment of Rs. 10,000/- has been received by the second party workman. Here it is important to note that this witness was conversant with the signature of the second party workman and has identified his signature on reverse side of the cheque on pg. 22. That would show that the said self drawn cheque ME. 8 was sent by the second party workman to the concerned officer along with payment scroll without having made required entry in the ledger folio of Dr. Mungase at Ex. ME.1 and the second party workman by endorsing the noting 45/152 misled the officer into believing that necessary entry has been made in the ledger folio of Dr. Mungase when infact no such entry was made.

14. It was tried to bring in his cross examination that the original slips are not produced on record even during the enquiry. But then the fact remains that in his cross examination itself this witness confirms that the ledger folio No. 45/152 has been written on the said document by the concerned workman and the concerned workman has also signed on the reverse side of the said cheque Ex.47.

15. In my considered view there is no reason to dislodge this sort of evidence of this witness particularly when his evidence is supported by the documentary evidence Ex.47 and he is the person who is conversant with the signature of the concerned workman who according to him signed on the reverse side of the cheque and also wrote the ledger folio No. 45/152.

16. At the cost of repetition it may be stated that there is no evidence of the concerned workman in rebuttal and whatever stated by this witness in his cross examination has not been rebuttal particularly when there are documents to show that the reverse side of the cheque bears signature of the concerned workman.

17. It was tried to believe that the Enquiry officer has not examined the witnesses called upon by the concerned workman particularly the hand writing expert to prove his signatures on the reverse side of the cheque and on ledger folio No. 45/152. In view of that it was considered that the enquiry was not fair & proper since sufficient opportunity was not given to the concerned workman to make out his defence. But then the opportunity was given to the management for proving the charges and from going through the evidence of management witness coupled with the documents relied upon by the management, it can be said that the charges are proved.

18. In this respect, it is necessary to refer to the evidence of Vishwasrao D. Patil. According to him, Dr. Mungase issued self drawn cheque for Rs. 25,000/- vide ME.9 at pg.22 on Ex.32. The said cheque had been posted in ledger folio of Dr. Mungase and the second party workman has endorsed 45/152 thereby conveyed that the said cheque has been entered in Dr. Mungase's ledger folio but then the ledger folio of Dr. Mungase shows that no such posting as endorsed by the second party workman has been made and the payment scroll at DE.18, pg. 63 reveals that the aforesaid self drawn cheque of Rs.25,000/- has been honoured and the payment has been made. His evidence is specific to the effect that the posting in the payment scroll at DE.18 are in the hand writing of second party workman. Here also he identifies the hand writing of the second party workman being a colleague in the office and this sort of evidence has rather gone unchallenged.

19. Further the evidence of this witness is also to the effect that by recording the posting entry No. 9, second party workman has induced the concerned workman to believe that there was sufficient balance in Dr. Mungase's account on 25.6.90 and the entry has been made in the ledger folio ME-1-III but then the ledger folio of Dr. Mungase on 24.6.90 showed a balance of Rs.45.45 only. If there was no balance in his account and the ledger folio of Dr. Mungase at ME.1 pg. 1 Ex.32 revealed that the credit entry of Rs. 25,000/- has been made in S.B. A/c. No. 13783 of Dr. Mungase on 26.5.90 then that credit entry was fictitious entry and it is specific evidence of this witness that this fictitious entry was made by the second party workman and the amount of Rs. 10,000/-, Rs. 5,000/- and Rs. 10,000/- respectively were withdrawn from the account of Dr. Mungase on 2.6.90.

20. In this respect it was tried to bring in his cross examination that this witness even does not remember whether the second party workman was working in the Saving Bank A/c. section of the first party bank at that time or not. But then his evidence as regards the hand writing and signature of the second party workman on reverse side of the cheque, ledger folio, bill purchase register sheet from sr. No. 93 to 97 etc. has not been rebutted even in his cross examination. I say so because in para 14 of his cross examination this witness has made it clear that he is familiar with the hand writing of the second party workman and the entries have been made by the second party workman in bill purchase sheet for the period from 24.4.90 to 5.5.90.

21. As against the Learned Counsel for the first party bank submitted that the concerned workmen on the basis of enquiry was dismissed from the employment in 1993 and he raised the dispute in the year 2000. As per his submission it was for the concerned workmen to summon the witness in his defence before the tribunal since opportunity was given to both to prove or dis-prove the charges but the concerned workmen has not adduced evidence of any witness and he himself remained absent for adducing his evidence or for cross examination. As such there is no evidence in rebuttal led by the second party workman before this tribunal.

22. Next submission of the Learned Counsel for the first party bank is that the second party workman has himself admitted alleged misconduct in his statement dt. 21.11.06 at pg. 23 to the list of document dt. 17.8.07. These documents were taken on record as Ex.ME.10 in the enquiry. In the affidavit dt. 31.1.12 filed by the second party workman he has admitted having written the statement Ex. ME.10. In this document Ex. ME.10 at paragraphs 3, 4, 5 at pg.2 the second party workman has admitted the entries. He has admitted that the cheques dt. 18.5.90 and 4.5.90 were written in his own hand writing. He has further admitted that the credit entries were made by him without checking as to whether the cheques were deposited by Dr. Mungase's wife or not. At para 5 he has admitted that he had himself made the alterations in the cheques which were not endorsed by the account holder and the amount on the cheque was changed from Rs.2500/- to Rs.2100/-. He further admitted that on 26.5.90 he had posted the credit of Rs.25,000/- on the alleged statement of Dr. Mungase's wife on the belief that Dr. Mungase's wife will deposit the cash in the said account. Considering these admissions of the second party workman in his written statement Ex. ME.10 coupled with the evidence of management and the documents on record it can be gathered that the first party bank has proved the charges leveled against the second party workman especially when in this respect no any evidence is led by the second party workman even after giving full opportunity to dis-prove the charges.

23. Having come to the conclusion that the charges leveled against the concerned workman are proved the question that comes for consideration is as regards the quantum of punishment. As seen earlier the charges leveled against the concerned workman are of grave and serious in nature. Charges are as regards the alleged misconduct, fraudulent acts, misappropriation of the banks funds, breach of trust deposited in him, lack of integrity and honesty and acts causing loss to the bank.

24. In this respect Learned Counsel for the first party bank seeks to rely on the decision in case of Regional Manager, U.P. State Road Transport Corpn. V/S. Hotilal – 2003 I LLN Pg. 843 wherein it has been held that when the person deals in public money or is engaged in financial transactions or acts of fiduciary capacity the higher degree of integrity and trustworthiness is must and unexceptional. Misconduct in such cases has to be dealt with iron hands. The order of dismissal was upheld.

25. He also seeks to rely on the decision in case of Chairman & Managing Director, United Commercial Bank V/s. P.C. Kakkar – 2003 I LLN Pg. 825 wherein it has been held that employee of the bank is required to take all possible steps to protect the interest of the bank or to discharge his duties with utmost integrity, honesty, devotion and diligence and to do nothing which will be unbecoming of the banking officer. Good conduct and discipline are inseparable from functioning of every employee of bank.

26. In case of Suresh Pathrila V/S. Oriental Bank of Commerce – 2007 I LLN 780 it has been held by the Hon'ble Apex Court that in case of loss of confidence in the officer by the bank it would be futile exercise of the judicial view to embark upon the decision of the disciplinary authority removing the officer from the service preceded by the enquiry and to direct the bank to take back the officer in whom the bank has lost the confidence unless the decision to remove the officer is tainted with maladies or in violation of principles of nature justice and prejudice to the officer is made out.

27. In view of this legal position having come to the conclusion that the charges leveled against the concerned workman are severe and grave in nature whereby the bank has lost confidence in him and the charges are proved then in that circumstances the punishment of removal awarded to the concerned workman is legal and justified. As such the action of the management in dismissing the services of the concerned workman is legal & justified. This issue is therefore answered accordingly in the affirmative.

Issue No. 5.

28. In view of my findings to Issue No.4, the concerned workman is not entitled to any relief. Hence, the reference is liable to be rejected. Hence, I pass the following order.

ORDER

Reference is rejected with no order as to costs.

Parties are found absent on repeated calls. After filing of statements/pleadings by the parties the case was fixed for filing of rejoinder by the disputant and for settlement of issues. The record further reveals that despite several adjournments from time to time the disputant-2nd Party failed to make its appearance or to take any step to file rejoinder and for settlement of issues. In the above back-drops and in absence of the 2nd Party-Union there is no alternative than to

presume that either the workers of the 2nd Party-Union has lost its interest to pursue the dispute for its judicial adjudication or there exists no further dispute between the parties. The Government of India, Ministry of Labour by its order No. L- 12012/102/2013-IR(B-II) dated 10.2.2014 referred the following dispute under section 10(1)(d) of the I.D. Act, 1947 for adjudication to this Tribunal between the management of LIC of India, and their workman. The reference is,

SCHEDULE

“Whether the removed from service of Sri Konda Vijaya Kumar, Security Guard of M/s. J.B. Security & House Keeping Services contractor of Andhra Bank, Vijayawada is legal and justified? What other relief the workman is entitled to?”

The reference is numbered in this Tribunal as I.D. No. 25/2014 and notices were issued to the parties concerned.

3. In spite of repeated calls, the Petitioner did not turn up. Several opportunities have been given to the Petitioner to attend the court to prosecute his case. But the Petitioner failed to attend this Tribunal which clearly indicates that perhaps the dispute of the Petitioner has already been settled and the Petitioner has got nothing to raise any claim against the Respondents. Hence, the case of the Petitioner is closed and a ‘No dispute’ award is passed.

Award is passed accordingly. Transmit.

... For the 2nd Party-Union.

AWARD

The Government of India in the Ministry of Labour in exercising its authority conferred by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 (herein-after referred to as “The Act”) have referred a dispute between the management of Indian Overseas Bank and their workman vide letter No. L-12012/242/90/IR.B-II, dated 26.12.1990/13.07.2000 for its adjudication and the schedule of the reference is as follows:-

“Whether the action of the management of Indian overseas Bank in dismissing Shri Trilochan Das, Clerk-Shroff-Godown Keeper from the services of the Bank is justified? If not to what relief the workman is entitled?”

2. Undisputed facts of the reference, in short, are that being duly selected the second party-workman was appointed as Clerk-cum-Cashier-cum-godown keeper and posted as such in the Management Bank in its branch at Bhawanipatna in the year 1980. While working in such capacity in the main branch of the Management-Bank at Bhubaneswar he was placed under suspension on 14.11.1986 when the CBI conducted an investigation against him for his alleged involvement in removal of Bank draft leaf bearing No. OL/84/719469 from the draft book available at the Bhubaneswar branch office and filling-up the said Bank draft in favour of one Shri Sarat Chandra Pujapanda for an amount of Rs. 16,000/- by showing date of issue as on 17.4.1986 and Sl. No. 19/42 payable at Sahidnagar Branch. A departmental enquiry was followed wherein he was charged of removing the said Bank draft leaf and filling-up it in favour of Shri Panda. It was also alleged in the said proceeding that the workman had forged the signature of the Branch

Manager and the Accountant on the said draft and drew issued in favour of Shri Panda without any consideration amount being received in the branch for issuance of the draft and the draft was filled up with a view to en-cash it. In the departmental proceeding he was found to have committed gross misconduct for having wilfully attempting to cause damage to the property of the Bank and acting prejudicial to the interest of the Bank which would have put the Bank in serious loss in view of he was found to have stolen the Bank draft leaf and filling-up the same in favour of one Shri Sarat Chandra Pujapanda and he was punished with dismissal from service.

3. The finding in the departmental proceeding as well as punishment inflicted on the workman has been challenged on a contention that the departmental enquiry was not conducted in a fair and proper manner with conformity to the principles of natural justice as well as provisions of the Certified Standing Order of the Management in as much as the enquiry officer had played a triple role having acted as a disciplinary authority, Enquiry Officer and Presenting Officer. The workman was not provided with proper list of witnesses and documents likely to be relied upon by the Management and due opportunities were not given to the workman to defend its case in the departmental proceeding. Irrelevant facts and inadmissible evidence were taken into consideration while holding the workman guilty of the misconduct. It has been pleaded by the workman that despite no evidence in support of the charge that he removed a Bank draft leaf and filled-up it in favour of Shri Pujapanda, he was held guilty with punishment of dismissal from service. Alleging his illegal removal the disputant workman in the statement of claim has asked for his reinstatement with full back wages.

4. In contra the 1st Party-Management has resisted the claim of the workman taking a stand that a CBI investigation was conducted against the fraudulent activity of the workman in which he was alleged to have stolen a Bank draft leaf from the Draft book available at the branch and filling up the same in favour of one Sarat Chandra Pujapanda for an amount of Rs. 16,000/- in an attempt for its drawal in the main branch of the Management-Bank at Bhubaneswar. According to the Management a departmental enquiry was also followed in which he was given sufficient opportunities to defend himself. The departmental enquiry was conducted in all fair and proper manner and the workman and his defence representative participated in the proceeding except in the final stage and they remained absent deliberately in the final stage of the departmental enquiry. The workman having been found involved in an act of serious misconduct prejudicial to the interest of the Bank was rightly dismissed from service and there being no glaring lapses in the departmental enquiry there is no scope to interfere in the action of the Management in dismissing the workman. Besides, the maintainability of the reference is challenged on account of the dispute being raised in a belated stage after lapse of 12 years from the date of dismissal of the workman.

5. Keeping in view the pleadings advanced by the parties the following issues have been settled for just and proper adjudication of the dispute.

ISSUES

1. Whether the domestic enquiry conducted against the disputant namely Shri Trilochan Das was fare and proper?
2. Whether the punishment imposed on the disputant is justified?
3. Whether the reference is maintainable being a false one?
4. To what relief the workman is entitled to?

The Management has adduced evidence at pre and post stage of hearing on preliminary issue of fairness and propriety of domestic enquiry to justify the order of dismissal of the workman and it has examined one Shri Durga Charan Mohapatra Ex-Deputy Manager in both the stages and relied upon the documents like copy of the charge-sheet dated 24.8.1987 issued to the workman, copy of suspension order dated 14.11.1986 issued to the workman, copy of the letter addressed to Mr. V. Srinivasalu by the workman requesting for extension of time to file reply, copy of letter dated 13.10.1987 intimating the workman about the date of enquiry, copy of representation of the workman to Mr. V. Srinivasalu asking him for 02 months time, copy of letter dated 19.10.1987 intimating the workman about the date of enquiry, copy of representation of the workman to Mr. V. Srinivasalu asking for two months time, copy of representation of the workman to Mr. V. Srinivasaly to allow him to engage advocate and grant of time, copy of letter dated 12.11.1987 disallowing the disputant to engage Advocate, copy of letter dated 22.1.1988 to the workman to the Enquiry Officer, copy of other papers of the proceeding file containing charge-sheets and the statements recorded from both the sides, copy of the forged demand draft dated 17.4.1986 amounting to Rs. 16,000/- marked as Ext.- 1 to Ext.10. The disputant workman had filed his evidence in shape of sworn affidavit as per Order 18 Rule 4 C.P.C. at the time of hearing on preliminary issue on fairness and propriety of the domestic enquiry but, the Management did not avail the opportunity to cross examine him for which the affidavit evidence of the workman remained unchallenged and uncontroverted when the preliminary issue on propriety and fairness of the departmental enquiry was answered in favour of the workman.

FINDINGS

As the fairness and propriety of the domestic enquiry being decided in favour of the 2nd party-workman and the enquiry being found defective vide order dated 05.03.2014 of this Tribunal (the copy of the said order be formed as part of this award) now it is to be seen whether the Management has established the misconduct allegedly committed by the workman by adducing direct evidence in this regard before this Tribunal. In view of the principles set out by the Hon'ble Apex Court in various cases including that of Delhi Cloth and General Mills Co. –versus- Ludh Budh Singh and in the case of Bharat Forge Co. Ltd. –versus- A.B. Zodge and Another the legal position as emerges out is that in all cases where enquiry has not been held or the enquiry has been found to be defective, the Tribunal can call upon the Management or the employer to justify the action taken against the workman and to show by fresh evidence that the termination or dismissal order was proper. If the Management does not lead any evidence by availing of this opportunity it cannot raise any ground at any subsequent stage that it should have been given that opportunity, as the Tribunal, in those circumstances, would be justified in passing an award in favour of the workman. If, however the opportunity is availed of and the evidence is adduced by the Management, the validity of the action taken by it has to be scrutinized and adjudicated upon on the basis of fresh evidence. Further, It is profitable to mention here that in the case of Neeta Kaplish –versus- Presiding Officer, Labour Court and Another arising out of C.A. No. 6079/1998 arising of S.L.P. (C) No. 825 of 1998 decided on 4.12.1998 the Hon'ble Apex Court have observed:

The record pertaining to the domestic enquiry would not constitute “fresh evidence” as those proceedings have already been found by the Labour Court to be defective. Such record would also not constitute “material on record”, as contended by the counsel for the respondent, within the meaning of Section 11-A as the enquiry proceedings, on being found to be bad, have to be ignored altogether. The proceedings of the domestic enquiry could be, and, were, in fact, relied upon by the Management for the limited purpose of showing at the preliminary stage that the action taken against the appellant was just and proper and that full opportunity of hearing was given to her in consonance with the principles of natural justice. This contention has not been accepted by the Labour Court and the enquiry has been held to be bad. In view of the nature of objections raised by the appellant, the record of enquiry held by the Management ceased to be “material on record” within the meaning of Section 11-A of the Act and the only course open to the Management was to justify its action by leading fresh evidence as required by the Labour Court. If such evidence has not been led, the Management has to suffer the consequences.

In that view of the matter the Tribunal is to appreciate some total of the evidence and additional evidence adduced by the employer before this Tribunal and the evidence adduced by the workman contra and to give its final conclusion if the employer/Management has make out a valid case for dismissal of the disputant workman.

8. Coming to the fresh evidence directly led before this Tribunal by the Management for establishing the misconduct of the workman it is seen that the Management has depended upon the oral testimony of M.W.-1, who is stated to be working along with the disputant workman in its Sahidnagar Branch at the relevant time and the domestic enquiry proceeding file marked as Ext.-9/01 to 9/32 in view of the principles and observations made by the Hon'ble Apex Court as discussed in supra there is no confusion to say that evidence or materials led before the enquiry officer except the documents led and exhibited before this Tribunal are anyway helpful to the Management to prove the misconduct of the workman. Admittedly, the forged Bank draft leaf in original has neither been produced before this Tribunal nor any explanation has been led as to where-about of the said forged Bank draft. Though, M.W.-1 has made a statement that the draft leaf was stolen by the disputant workman, he has admitted to have not seen the workman stealing the same. On the other hand, it is emerging from the cross examination that the concerned Bank draft book was with him when the draft leaf was stated to have been stolen. There is nothing specific either in the oral evidence of the M.W.-1 nor in the departmental proceeding file to suggest that the stolen Bank draft after being filled-up in favour of Shri Sarat Chndra Pujapanda was ever in possession of the disputant workman. It is not also in evidence of the Management led before this Tribunal or any paper exhibited along with departmental proceeding file to arrive any conclusion that the CBI had recovered the forged draft from the possession of the workman. It emerges from the oral testimony of M.W.-1 that the departmental proceeding was initiated against the workman after he was being entangled by the CBI in an investigation carried against stealing of such Bank draft leaf. Though, evidence is emerging to suggest that the forged Bank draft was sent along with the hand-writing of the disputant workman for examination by a hand writing expert, no evidence is produced before this Tribunal to show the opinion of the hand writing expert. There is no material or evidence at all on behalf of the Management to establish that the hand-writing found in the Bank draft leaf belonged to the hand-writings of the disputant workman. He was never entrusted any Bank draft book and it is stated that such books are being kept in the lock and key of the Management-Bank. The Management is also unable to say as to the result of the case against the disputant workman initiated by the CBI. Thus, the materials and evidence led before this Tribunal by the Management do not make out any prima facie case of serious misconduct being committed by the disputant workman and he appears to have been held guilty of misconduct on mere suspicion only.

9. In domestic enquiry the strict rules of evidence are not applicable and guilt need not be established beyond reasonable doubt. All materials which are logically probative for a prudent mind are permissible. There is no allergy to hearsay evidence provided; it has reasonable nexus and credibility. But in the instant case the findings of enquiry officer appears to be without any evidence. So also the Management has failed to led any probative materials before the Tribunal to hold the disputant workman either to have stolen the Bank draft leaf or in possession of the same or the entries and hand-writing found thereon was the hand-writing of the disputant workman. Hence, it can be held safely that the Management has failed miserably to establish the misconduct of the workman and as such the dismissal of the workman cannot be said legal and justified in any manner.

10. Challenge has been made to the maintainability of the reference on the ground of the industrial dispute being raised at a belated stage i.e. after lapse of twelve years from the order of dismissal of the disputant workman. Undisputedly the workman was dismissed from service on 17.07.1988 and the reference was made to this Tribunal on 26.12.1990. Though, pleadings have been advanced in the statement of claim that the workman raised a dispute timely and preferred writs before the Hon'ble High Court of Orissa challenging the action of the Management, any evidence either in shape of document or in oral has been led before this Tribunal in regard to the reason of the reference being made to the Tribunal after such lapse of twelve years. At the same time it cannot be over-sighted that the limitation Act, 1963 is not applicable to the reference made under the Act. However, delay in raising industrial dispute is definitely an important circumstance which the Labour Court must keep in view at the time of exercise of discretion irrespective of whether or not such objection has been raised by the other side. It is profitable to mention here that in the case between Ajaib Singh -versus- The Sirhind Co-operative Marketing Cum-Processing Service Society Limited and Another (1996) 6 SCC 82 while dealing with similar plea of delay in raising the dispute have opined that relief cannot be denied to the workman merely on the ground of delay, stating that:-

“It follows, therefore, that the provisions of Article 137 of the Schedule to Limitation Act, 1963 are not applicable to the proceedings under the act and that the relief under it cannot be denied to the workman merely on the ground of delay. The plea of delay if raised by the employer is required to be proved as a matter of fact by showing the real prejudice and not as a merely hypothetical defence. No reference to the labour court can be generally questioned on the ground of delay alone. Even in a case where the delay is shown to be existing, the tribunal, Labour Court or board, dealing with the case can appropriately mould the relief by declining to grant back wages to the workman till the date he raised the demand regarding his illegal retrenchment/termination or dismissal. The Court may also in appropriate cases direct the payment of part of the back wages instead of full back wages.

It is also well settled that when the order of discharge or dismissal of a workman is found to be illegal and unjustified, the powers of the adjudicator are wide enough to grant the relief to the aggrieved workman {(Rambhau – versus- Maharashtra State Road Transport Corporation (1992) 2 LLJ 872, 880 (Bom))} can be reinstatement with back wages or it may even be of a part of back wages in the case if the workman was not wholly blameless. Lump-sum compensation in lieu of reinstatement or back wages can be also awarded. The power to give these reliefs is inherent in industrial adjudication. It is well settled that before exercising its judicial discretion the Tribunal or Court has to keep in view all relevant factors including the mode and manner of appointment, nature of employment, length of service, the ground on which termination has been set aside and the delay in raising industrial dispute before granting relief in an industrial dispute usually followed.

11. Keeping the above principles in view, if the facts and circumstances of the instant case are taken into consideration it cannot be over-sighted that no order of reinstatement can be passed in the present case as the workman has already attained the age of superannuation. He has not led any evidence or explained satisfactorily the delay in raising the dispute or the reasons for which the reference was made to the Tribunal twelve years after his alleged dismissal. It cannot be over-looked that he has not rendered any service to the Management-Bank after his dismissal from service. Having regard to the above facts and circumstances and principles set out by the Hon'ble Apex Court I am of the considered view that the dismissal being illegal and unjustified the Management-Bank shall pay 50% of his entitled wages for the period from the date of his dismissal to the date of his superannuation and other consequential service benefits to which the workman would have been entitled to at the time of superannuation in the event of his continuance in service. The award is to be complied with within three months from the date of its notification in the official gazette as required under the statute failing which the disputant is entitled to receive the accrued amount within simple interest of 9% from the date of award.

12 Reference is answered accordingly.

An issue in this case has been framed as to whether the domestic enquiry conducted against the disputant namely Shri Trilochan Das was fair and proper?

The allegations have been made that the Enquiry Officer has played triple role in the domestic enquiry. He framed the charge-sheet and conducted the enquiry as enquiry officer as well as the disciplinary authority and also acted as presenting officer. The Management handed over a list of five witnesses to the 2nd party-workman, but the star witness basing on whose report the 2nd Party-workman was found guilty was not produced. The Enquiry Officer did not take into account the relevant material facts of the depositions of the witnesses presented before him and failed to show impartiality in conducting enquiry. Irrelevant facts and inadmissible evidence for the purpose of enquiry were taken into account against the 2nd Party-workman. None of the provisions of the settled principles of law were adhered to before the commencement of the enquiry. There is no evidence regarding presentation of the so-called forged demand draft on the drawing Bank. Even then it was held to be an act of attempt against the interest of the Bank.

The 2nd Party-workman in his sworn affidavit has also alleged that the Enquiry Officer Shri V. Srinivasalu was not even the equivalent rank of his appointing authority. He was lower in grade to his appointing authority, but he had passed order of his termination. Neither the examiner of the questioned document Shri G.V.S. Vatnagar was produced by the Management nor the copy of the questioned document was given to him. His two applications dated 16.10.1987 and 11.4.1988 were also not taken into account though he had filed the same before the Enquiry Officer.

The 1st Party-Management has replied in answer that all reasonable opportunity has been allowed to the 2nd Party-workman in conducting the domestic enquiry with due adherence to the principles of natural justice. The enquiry is fair and proper and there is no infirmity in conducting the same. The disciplinary authority acted in fair and impartial manner in conducting the enquiry in conformity with the procedure as per rules. It is denied that the Enquiry Officer acted without authority. In terms of provisions contained in the bipartite settlement, Shri V. Srinivasalu was appointed as Enquiry Officer and he had full authority to hold the enquiry and to pass necessary orders imposing punishment. However, if it is adjudged that the enquiry is not fair and proper then the 1st party-Management may be permitted to substantiate the charges by leading fresh additional evidence.

I have gone through the evidence led by the parties and documents relating to conduct of domestic enquiry. It is apparent from the proceedings of the enquiry that the 1st Party-Management produced four witnesses in the domestic enquiry. The first three witnesses were cross examined by the defence representative, but the 4th witness who was the investigating officer of the CBI case against the charge-sheeted employee was not cross examined by the defence representative because of their absence, as a mark of protest to the enquiry proceedings. The Enquiry Officer has given much importance to the evidence of the investigating officer in the CBI case, though his evidence in itself has no evidentiary value as he is not a direct or eye witness of the incident. The first three witnesses were also witnesses in the CBI case and the Enquiry Officer has relied on their oral statements given before the CBI. The oral statements given before the CBI are not admissible here in evidence. The witnesses should have given the oral account of the facts of the case which they saw or came across regarding the criminal act said to be done by the 2nd Party-workman. After recording oral statement of the fourth witness of the Management the Enquiry Officer has not given the opportunity of cross examining him to the 2nd party-workman. The Enquiry Officer concluded the enquiry on 19.5.1988 itself. The hand writing expert who examined the disputed document was not produced on whose report the fate of the enquiry rested. Even the disputed document i.e. the demand draft was also not produced before the Enquiry Officer nor its copy was given to the 2nd Party-workman. It also seems that there was no presenting officer. The Enquiry Officer himself put up the questions regarding the case and answers was elicited from the witnesses. As such the Enquiry

Officer also acted as a presenting officer. There is no reply from the side of the Management to the query that the Enquiry Officer was not equivalent to the rank of appointing authority of the 2nd Party-workman. According to the 2nd Party-workman Shri Srinivasalu was lower in grade to his appointing authority, but he passed the order of his termination. The enquiry officer himself has not come in witness box to depose against the allegation 2nd party. Therefore a conclusion is to be derived from the aforesaid facts and circumstances that the enquiry against the 2nd Party-workman was not conducted fairly and properly and in accordance with the principles of natural justice. Issue No. 1 is accordingly decided in the negative.

Put up on 15.4.2014 for evidence of the 2nd Party-workman on other issues.

केन्द्र सरकार, श्रम मंत्रालय, नई दिल्ली से उपरोक्त आदेश के जरिये निम्न अनुसूची का विवाद अधिनिर्णय हेतु इस अधिकरण को दिनांक 13.01.1997 को प्राप्त हुआ है।

"Whether the action of the Managment of Central Bank of India,Jaipur[Rajasthan] is justified in dismissing the services of Shri Jai Singh, Clerk-cum-assistant cashier vide Memo No.legal/92-93/305 dated 30-9-92 of disciplinary authority of central Bank of India Jaipur ? If not, what relief is the said workman entitled ? "

प्रकरण दर्ज रजिस्टर किया जाकर उभय पक्षकारान को नोटिस जारी किए गए।प्रार्थी राजस्थान बैंक एम्पलाईज फैंडरेशन जयपुर की ओर से दिनांक 24.01.98 को स्टेटमेंट ऑफ क्लेम पेश कर अभिकथन किया गया कि प्रार्थी श्रमिक जयसिंह की प्रथम नियुक्ति विपक्षी संस्थान में दिनांक 6.5.79 को चतुर्थ श्रेणी कर्मचारी के पद पर की गयी थी।उसके पश्चात दिनांक 18 जुलाई,1981 को प्रार्थी की पदोन्नति लिपिक/रोकडिया के पद पर की गयी थी। प्रार्थी की सेवायें सन 1990 तक संतोषजनक रही हैं तथा उक्त अवधि में कोई शिकायत नहीं रही है।उसके पश्चात अप्रैल, 1990 में पैकेट सोरटेज के कारण प्रार्थी को निलंबित किया गया तथा दिनांक 30.9.92 को सेवामुक्त कर दिया गया।विपक्षी बैंक ने प्रार्थी को एक आरोपपत्र दिनांक 18.7.90 को दिया गया था,जिसमें कि विभिन्न मूल्यवर्ग के पैकेट्स में तथाकथित कुछ न्यूनता बताई गई थी।जबकि संदर्भित पैकेट बनाने की जो तिथियां आरोपपत्र में दर्शायी गयी हैं,उन दिनों में प्रार्थी ने सोर्टर के रूप में कभी कार्य ही नहीं किया था,तो उनके द्वारा पैकेट बनाने का सवाल ही पैदा नहीं होता है।इस बात की पुष्टि बैंक के सोर्टर रजिस्टर से की जा सकती है।जांच अधिकारी ने अपने ही स्तर पर बिना किसी ठोस सबूत के प्रार्थी के द्वारा ही पैकेट्स बनाये जाना और पैकेट्स की कमी मान ली और प्रार्थी के विरुद्ध लगाये गये आरोपों को सही मानकर उसकी सेवा बर्खास्तगी का आदेश दिनांक 30.9.92 पारित कर दिया,जो कि नैसर्गिक न्याय के सिद्धांतों के विपरीत है।आरोपपत्र दिनांक 18.7.90 के जांच निष्कर्षों की सूचना प्रार्थी को नहीं दी गई तथा विपक्षी बैंक ने एक दूसरा आरोपपत्र दिनांक 5.6.91 को प्रार्थी को दे दिया,जिसकी जांच कार्यवाही के दौरान बैंक के गवाहों से जिरह का अवसर नहीं दिया गया तथा न ही प्रार्थी को अपने बचाव में कुछ कहने का अवसर ही दिया गया।अतः दूसरे आरोपपत्र की जांच कार्यवाही पूर्णतया दोषपूर्ण एकतरफा थी।अतः प्रार्थी ने अपना विवाद यूनियन के माध्यम से श्रम मंत्रालय भारत सरकार,जयपुर को प्रस्तुत किया था,लेकिन वार्ता असफल होने पर उक्त विवाद को केन्द्रीय सरकार श्रम आयुक्त नई दिल्ली को प्रेषित किया गया और केन्द्र सरकार ने उक्त विवाद को न्यायाधिकरण के समक्ष अधिनिर्णयार्थ प्रेषित किया है। अतः निवेदन किया है कि प्रार्थी के विरुद्ध विपक्षी द्वारा आदेश दिनांक 30.9.92 को निरस्त किया जावे तथा प्रार्थी को उसी दिन से सम्पूर्ण सेवा लाभ देने के आदेश पारित किये जावें।

विपक्षी बैंक की ओर से प्रार्थी यूनियन के स्टेटमेंट ऑफ क्लेम का जवाब प्रस्तुत कर अभिकथन किया है कि प्रार्थी श्री जयसिंह जब सेंट्रल बैंक ऑफ इण्डिया की जौहरी बाजार शाखा में कार्य कर रहे थे उस समय प्रार्थी की ड्यूटी में नोटों की छंटनी कर नोटों के बण्डल बनाने का कार्य था और उस समय प्रार्थी ने बैंक के हजारों रुपयों का गबन किया था और बण्डलों में नोट कम पाये गये थे। उनके विरुद्ध गंभीर दुराचरण की शिकायतें प्राप्त होने पर उन्हें दिनांक 17.4.90 से निलंबित किया गया था तथा उनको एक आरोपपत्र दिनांक 18.7.90 को तथा दूसरा आरोपपत्र दिनांक 5.6.91 को दिया गया था तथा दोनों आरोपपत्रों की निष्पक्ष जांच करवाई गई थी और जांच में आरोप सिद्ध होने पर प्रार्थी की सेवायें दिनांक 30.9.92 को समाप्त कर दी गयी थी। प्रार्थी को जो आरोपपत्र दिनांक 18.7.90 को दिया गया था,उसमें विभिन्न मूल्यवर्ग के पैकेट्स में 6,945/-रुपये की कमी पायी गयी थी,जिसकी बाबत ही प्रार्थी को आरोपपत्र दिया गया था,जिसकी जांच करवायी गयी थी,जांच में प्रार्थी को दोषी पाये जाने पर ही सेवामुक्त किया गया था तथा रोकडिया स्टाफ जिनको करेन्सी चेस्ट खाता नकदी में कार्य पर लगाया जाता है,यह आवश्यक नहीं कि उसकी बाबत कोई निर्धारित प्रक्रिया से आवश्यक रूप से रजिस्टर मैन्टेन किया जाता हो,अपितु यह शाखा प्रबन्धक पर निर्भर होता है कि वह किस व्यक्ति को करेन्सी चेस्ट शाखा में कार्य हेतु लगावे।साधारणतया कैश विभाग के लोगों को ही यह कार्य दिया जाता है और चूंकि प्रार्थी श्री जयसिंह क्लर्क कम असिस्टेंट कैशियर के पद पर कार्य कर रहा था,इसलिए उन्हें नोट छांटने का कार्य दिया गया था।प्रार्थी द्वारा किये गये कार्य को उसके द्वारा बनाये गये पैकेट्स का उसकी सील एवं हस्ताक्षर से ही स्पष्ट होता है। जांच अधिकारी ने जांच के दौरान प्रार्थी को नैसर्गिक न्याय के सिद्धांत का पालन करते हुए पूर्ण अवसर दिया था तथा बैंक की ओर से प्रस्तुतकर्ता अधिकारी ने 37 दस्तावेज प्रस्तुत किये थे,जो प्रदर्श एम.1 से प्रदर्श एम.37 से प्रदर्शकित करवाये गये हैं।जिनको प्रार्थी ने दौराने जांच देखा भी है तथा इसके अलावा बैंक के गवाह एम.डब्ल्यू.1 से एम.डब्ल्यू.6 प्रस्तुत किये गये थे।जिनसे प्रार्थी को जिरह करने का पूरा अवसर दिया गया था।प्रार्थी स्वयं का प्रश्न है,उसकी ओर से न तो कोई दस्तावेज जांच अधिकारी के समक्ष प्रस्तुत किया और न ही कोई गवाह प्रस्तुत किया,केवल स्वयं प्रार्थी ने अपने बयान दिये थे। इस प्रकार सम्पूर्ण रिकार्ड से यह स्पष्ट है कि प्रार्थी के विरुद्ध जो जांच की गयी थी,वह पूर्ण नैसर्गिक न्याय के सिद्धांत के अनुकूल की गयी थी।इस प्रकार प्रार्थी ने जिन तिथियों पर विभिन्न मूल्यवर्ग के पैकेट्स बनाये थे,उसके हस्ताक्षर एवं उसकी सील पैकेट्स पर लगी हुई है और ऐसी स्थिति में प्रार्थी द्वारा जो बहाना दर्शायी गयी तिथियों पर प्रतिनियुक्ति की बाबत बनाया गया है,वह गलत होने का अभिकथन करते हुये अपने जवाब में विपक्षी की ओर से वर्णित किया गया है कि प्रथम आरोपपत्र की जांच के दौरान अन्य आरोपों की शिकायतें प्राप्त होने पर दिनांक 5.6.91 को प्रार्थी को दूसरा आरोपपत्र दिया गया है। इस प्रकार अप्रार्थी द्वारा कोई श्रम कानूनों का उल्लंघन नहीं किया गया है।अतः प्रार्थी की सेवा से बर्खास्तगी का आदेश दिनांक 30.9.92 पूर्णतः सही होना अंकित करते हुये प्रार्थी का स्टेटमेंट ऑफ क्लेम खारिज किये जाने की प्रार्थना की है।

मैंने उभय पक्ष के विद्वान प्रतिनिधिगण की बहस सुनी एवं पत्रावली का अवलोकन किया।

हस्तगत विवाद से संबंधित स्टेटमेंट ऑफ क्लेम में प्रार्थी द्वारा आदेश क्रमांक आर ओ/लीगल/92-93 दिनांक 30.09.92 की वैधता को चुनौती दी गयी है। प्रार्थी द्वारा अपने स्टेटमेंट ऑफ क्लेम में इस बात का उल्लेख किया गया है कि करेन्सी चेस्ट शाखा नकदी प्राप्त /जारी करने की एक निर्धारित प्रणाली है, जिसके तहत नकदी विभाग में रोकडिया स्टाफ को प्रतिनियुक्त किया जाता है तथा इस प्रतिनियुक्त स्टाफ का एक रजिस्टर भी मैटेन किया जाता है, जिसे शोर्टर रजिस्टर कहा जाता है। प्रार्थी द्वारा उन तिथियों पर पैकेट बनाने का कार्य नहीं किया जो आरोपपत्र में वर्णित हैं। इस प्रकार उसके द्वारा पैकेट्स का दुर्विनियोग किया जाना किसी प्रकार से युक्तियुक्त नहीं है।

अप्रार्थीगण द्वारा क्लेम का विस्तृत जवाब प्रस्तुत किया गया है, जिसमें क्लेम में वर्णित सभी कथनों का खण्डन किया गया है। दिनांक 6.9.2011 को इस न्यायाधिकरण द्वारा घरेलू जांच की शुद्धता बाबत विस्तृत आदेश पारित किया गया है। इस न्यायाधिकरण द्वारा यह पाया गया है कि प्रार्थी को दोनों आरोपपत्र प्राप्त हुये हैं जिनका जवाब देने हेतु प्रार्थी द्वारा अवसर चाहा गया है तथा एक आरोपपत्र का विस्तृत जवाब पेश किया गया है। दूसरे आरोपपत्र के संबंध में प्रार्थी को विधिवत जवाब प्रस्तुत करने का अवसर दिया गया है तथा अन्त तक जांच कार्यवाही में भाग लेने का अवसर दिया गया है। जांच के दौरान उपस्थित गवाहान् से प्रतिपरीक्षा का भी अवसर प्रार्थी को दिया गया है तथा सभी दस्तावेजात की प्रतियां भी उपलब्ध करायी गयी हैं। विभागीय जांच पूर्ण होने के उपरांत अनुशासनिक अधिकारी के समक्ष अपनी बात रखने का पर्याप्त अवसर दिया है। इस प्रकार जांच कार्यवाही विधिवत संपन्न हुई है।

स्टेटमेंट ऑफ क्लेम में प्रार्थी द्वारा उसके विरुद्ध जारी प्रथम आरोपपत्र दिनांक 18.7.90 में जांच के निष्कर्षों की सूचना प्रार्थी को नहीं देना बताया है तथा दिनांक 5.6.91 को दूसरा आरोपपत्र दिया जाना बताया है, जिसमें भी विभिन्न मूल्यवर्ग के कुछ पैकेट्स में न्यूनता इस कारण से दिखायी गयी है कि प्रथम आरोपपत्र प्रार्थी के विरुद्ध प्रमाणित होने की संभावना विपक्षी विभाग द्वारा नहीं देखी जाने पर दूसरा आरोपपत्र प्रार्थी को दिलाया गया। स्टेटमेंट ऑफ क्लेम में जांच के पर्याप्त अवसर नहीं दिये जाने का कथन किया है। जांच की शुद्धता संबंधी आदेश पूर्व में न्यायाधिकरण द्वारा जारी किया गया है। आदेश दिनांक 30.9.92 के द्वारा अनुशासनिक अधिकारी द्वारा प्रार्थी की सेवाएं समाप्त की गयी हैं। न्यायाधिकरण के समक्ष प्रार्थी द्वारा पर्याप्त अवसर दिये जाने के बाद भी अपना पक्ष नहीं रखा गया है। आरोपपत्र दिनांक 18.7.90 के संबंध में जांच अधिकारी द्वारा की गई विस्तृत कार्यवाही का अवलोकन किया गया। जांच के क्रम में प्रथम आरोपपत्र दिनांक 18.7.90 को साक्षी श्री वी.एम.सानन, श्री पी.एस.शेखावत, श्री एच.सी.चतुर्वेदी, श्री आर.ए. अग्रवाल, श्री जी.एल. गुप्ता, श्री पी.पी.अरोडा ने तथा द्वितीय आरोपपत्र दिनांक 5.6.1991 में साक्षी श्री पी.एस. शेखावत, श्री जी.सी.मोटवानी एवं श्री जी.पी.स्वर्णकार ने अपनी साक्ष्य में आरोपपत्रों की पुष्टि की है। उक्त संबंध में प्रार्थी को बचाव का भी अवसर दिया गया है। बचाव साक्षी के रूप में श्री एन.के.जैन को परीक्षित करवाया गया है तथा जांच के प्रक्रम में दिनांक 16.11.90 के सीलबन्द वक्से भी पीठासीन अधिकारी द्वारा प्रस्तुत किये गये। समस्त प्रक्रिया में यह पाया गया कि 6,945/-रुपये की राशि कम पायी गयी। इस संबंध में बचाव पक्ष को पर्याप्त अवसर भी दिया गया है। प्रार्थी जयसिंह को व्यक्तिगत रूप से जांच में भाग लेने का अवसर दिया गया। चार्जशीट से संबंधित सभी दस्तावेज प्रार्थी जयसिंह को प्राप्त हुये थे। बचाव पक्ष के प्रतिनिधि की भी नियुक्ति की गई तथा जांच के क्रम में प्रथम आरोपपत्र दिनांक 18.7.90 में साक्षी श्री वी.एम. सानन, श्री पी.एस.शेखावत, श्री एच.सी.चतुर्वेदी, श्री आर.ए.अग्रवाल, श्री जी.एल.गुप्ता, श्री पी.पी.अरोडा ने तथा द्वितीय आरोपपत्र दिनांक 5.6.1991 में साक्षी श्री पी.एस.शेखावत, श्री जी.सी.मोटवानी एवं श्री जी.पी.स्वर्णकार ने अपनी साक्ष्य में आरोपपत्रों की पुष्टि की है।

अभिलेख से यह भी दृष्टिगत होता है कि पूर्व का आरोपपत्र दिनांक 5.6.91 को प्रार्थी को दिया गया। उक्त आरोपपत्र में प्रार्थी जयसिंह द्वारा मार्च 87 से अगस्त 89 तक जौहरी बाजार में कार्य करते हुए 7,870/-रुपये का दुर्विनियोग किया। उक्त जांच के संबंध में भी प्रार्थी को पर्याप्त अवसर दिया गया। न्यायाधिकरण के समक्ष वर्तमान स्टेटमेंट ऑफ क्लेम में प्रार्थी द्वारा मुख्य रूप से जांच की वैधता संबंधी प्रश्न उठाये गये हैं, जबकि गुणवगुण पर कोई कथन नहीं किया गया है। न्यायाधिकरण द्वारा जांच को शुद्ध घोषित किया गया है।

उपरोक्त विवेचन के आधार पर अनुशासनिक अधिकारी द्वारा दिनांक 30.9.1992 को प्रार्थी को सेवा से पृथक करने संबंधी जो आदेश पारित किया गया है, उसमें किसी प्रकार की त्रुटि नहीं पायी जाती है।

इस प्रकार प्रार्थी के विरुद्ध प्रमाणित आरोपों की गंभीरता को देखते हुये अनुशासनिक अधिकारी द्वारा दिये गये दण्ड के संबंध में प्रार्थी किसी भी प्रकार की रियायत प्राप्त करने का अधिकारी नहीं है।

अतः उपरोक्त विवेचन के फलस्वरूप इस रेफरेन्स का उत्तर निम्न प्रकार दिया जाना समीचीन है :—

अधिनिर्णय

अतः प्रार्थी जयसिंह को अनुशासनिक अधिकारी द्वारा दिनांक 30.9.1992 को सेवा से पृथक करने संबंधी जो आदेश पारित किया गया है, उसमें किसी प्रकार की त्रुटि नहीं पायी जाने से एवं प्रार्थी के विरुद्ध प्रमाणित आरोपों की गंभीरता को देखते हुये अनुशासनिक अधिकारी द्वारा दिये गये दण्ड के संबंध में प्रार्थी किसी प्रकार की रियायत प्राप्त करने का अधिकारी नहीं होने से प्रार्थी यूनियन की ओर से प्रस्तुत स्टेटमेंट ऑफ क्लेम अस्वीकार किया जाकर खारिज किया जाता है। मामले के तथ्य व परिस्थिति में पक्षकारान खर्चा अपना— अपना स्वयं वहन करेंगे।

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-12011/73/2015-IR(B-II) dated 02.11.2015 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule

SCHEDULE

“Whether the action of the General Manager (HRM), United Bank of India, Kolkata over imposition of penalty upon Shri K.B. Parmar, Sub-staff of Bhavnagar Branch (Gujarat) which is not prescribed under the service conditions and not grant 2nd stagnation increment w.e.f. 01.08.2011 is legal, fair and justified? If not, then what relief the workman, Shri K.B. Parmar is entitled to?”

1. The reference dates back to 02.11.2015. After receiving the reference from the Government of India, notice Ex. 2 was issued to both the parties. The first party filed the vakalatpatra Ex. 5 and written statement Ex. 6 on 20.09.2016 and 21.03.2017 respectively in response to the statement of claim send by the second party workman to the first party employer. The second party workman, despite sending the statement of claim to the first party employer, did not prefer to

submit the statement of claim in the tribunal. The first party employer has also submitted the copy of the acknowledgment Ex. 8/1 with a proof that the first party employer has sent the copy of the written statement to the second party workman on 25.03.2017. Even after a year of sending the copy of the written statement to the second party, the second party did not make any response. Thus it appears that the second party is not willing to prosecute the case.

2. Thus the reference is disposed of in the absence of the statement of claim of the second party with the observation as under: “the action of the General Manager (HRM), United Bank of India, Kolkata over imposition of penalty upon Shri K.B. The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-37011/03/2013-IR(B-II) dated 18.04.2013 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the management of Kandla Port Trust in not regularizing the workers shows in Annexure- I who have claimed to be working for more than 240 days in several years, is legal and justified? What relief the workmen concerned are entitled to?”

1. The reference dates back to 18.04.2013. Both the parties were issued notices. Shri Nirdosh H. Rathod submitted his vakalatpatra Ex. 3 on behalf of second party union and Shri K.V. Gadhia Associates submitted the vakalatpatra on behalf of the first party but despite giving dozens of dates since 26.04.2013, neither of the parties submitted their written submissions till date. Mr. N.H. Rathod was present today on 19.02.2018. He stated that the second party union has not been in his contact. Shri K.V. Gadhia Associates submitted that he is not able to submit the written statement in the absence of the statement of claim of the second party union.
2. Thus in the said circumstances, the tribunal has no alternative but to dispose of the reference in the absence of the statement of claim of the second party union with the observation as under: “the action of the management of Kandla Port Trust in not regularizing the workers shows in Annexure – I who have claimed to be working for more than 240 days in several years, can be said to be legal and justified.”
3. Thus the reference is disposed of accordingly.

AWARD

1. Central Government, Mol, vide notification no.L-12011/05/2010-IR (B-II) dated 13-04-2010, has referred the following dispute for adjudication to this tribunal.

2. 'Whether the action of management of Canara Bank , Agra is not considering application for employment on compassionate ground or not making payment of ex-gratia in lieu of compassionate appointment to Shri Mukesh Kumar S/o late Kunwar Pal (legal heir of deceased employee) is just & proper ? What relief the concerned application is entitled to?'
3. The case of the claimant in short is that his deceased father Kuwar Pal Singh died in harness on 13.06.03, while working at Nidholi Kalan Etah Branch as clerk. It is alleged that his deceased father did not opt for pension scheme and under these circumstances dependant of deceased employee are not entitle for pension. The dependant of the deceased employee received Rs.2, 31,154.64 as SPF, Rs.1,36,109.63 against gratuity, and Rs.1,00,000 as DRF and in this way a total sum of Rs.4,67,261.27 was received by the dependant of the deceased employee and this amount was incurred against the medical treatment of deceased employee by the mother of the claimant. The claimant had neither received any amount of ex-gratia nor was he given appointment on compassionate ground. The Circle Office of the bank vide its letter dated 17.10.03 sought certain information from the branch office for providing appointment on compassionate ground and on that basis relevant information was provided to the bank by the claimant, but when the demand was not settled he raised a dispute through the union which is pending and after giving family details the claimant has prayed that he be provided appointment on compassionate ground.
4. The opposite party bank in reply to the claim petition has submitted that since the deceased employee Sri Kunwar Pal Singh has not given option for pension hence dependant of the deceased not entitled for getting pension. It is further alleged that the dependant of the deceased employee has already been received the terminal benefits as were applicable under rules of the bank. It is further alleged that a scheme for compassionate employment of the dependant of deceased employee who died in harness was implemented in the bank in the year 1976. During August, the Board of Directors of the bank permitted to modify the above scheme and in place of compassionate employment, the scheme formulated by the Indian Bank Association and approved by the Ministry of Finance envisages for grant of ex-gratia amount to the family of deceased employee in lieu of appointment on compassionate ground, but the dependant of deceased did not come under the purview of modified scheme for payment of lump sum ex-gratia amount, hence the dependants of the deceased are not eligible to receive any ex-gratia amount in terms of modified scheme and accordingly bank has communicated the same to the family members of the deceased employee.
5. It is further alleged that the dependant of deceased have already received all terminal benefits i.e. 4,72,775/- against all legal dues and since the scheme for providing compassionate appointment had already been eliminated, question does not arise for providing compassionate employment to the dependants of the deceased employee.
6. It is also alleged that an application for payment of lump sum amount ex-gratia was received in the bank from the dependant of the deceased employee which was placed before the competent authority along with relevant details and since it was revealed that the deceased employee was drawing gross salary of Rs.10, 401.27 after deduction of taxes as on the date of his death. The 60% of the last drawn wages was calculated at Rs.6240.76 and on assessing the net income available for the family it was observed that the same was more than 60%of the last drawn gross salary of the deceased hence the dependant are not eligible to receive any ex-gratia amount in terms of the scheme as circulated by the bank vide No.35/2005 dated 14.02.05.
7. Lastly it is stated that the son of the deceased employee is neither entitled for compassionate appointment nor for payment of ex-gratia amount and his claim hit the provision of the circular therefore, has no merit and is liable to be rejected.
8. The bank vide application dated 03.05.11 has filed photocopies of 4 documents including circular no. 35/2005 dated 14.02.05, which will be discussed at appropriate stage.
9. Claimant has also filed certain documents which are in the shape of correspondence with the bank.
10. Worker Mukesh Kumar examined himself as w.w.1 and on behalf of management one Sri Nikesh Sharma on behalf of the bank examined. None appeared on behalf of worker for submitting arguments. I have heard the auth. Representative and perused the record.
11. On behalf of claimant Sri Mukesh Kumar examined himself as w.w.1 who stated on oath that the bank after the death of his father has neither paid the amount of ex-gratia nor provided appointment on compassionate ground. He confirmed that according to paper no. 8/5-8/8 the bank provided compassionate appointment to 24 persons and also there is mention of payment of ex-gratia.
12. In his cross examination he alleges that it is not in his knowledge as to whether his deceased father had opted for pension while in service of the bank. He expressed his ignorance with regard to paper 11/2 which is the modified scheme of the bank. To a specific question put by the representative of the management as to whether it is in his knowledge that the bank had stopped providing appointment on compassionate ground, the witness expressed his ignorance.

13. The opposite party bank adduced evidence of one Sri Nikesh Sharma an officer of the bank who has deposed on affidavit that legal heirs of the deceased had already received terminal benefit under the head of SPF Rs 2,31,151.64, gratuity Rs 1,36,109.63 and DRF Rs 100000/- and stated that deceased Kunwar Pal Singh had not given option for pension hence the dependent of deceased are not entitled for pension and under the terms of modified scheme LR's of deceased are not entitled for ex gratia payment or appointment on compassionate ground. As none appeared on behalf of the claimant to cross examine the witness of the bank, therefore, opportunity to cross examine the witness was closed by order dated 20.09.16. Thus it is clear that the evidence of M.W.1 remains uncontroverted and under these circumstances there appears no reason to disbelieve the same.

14. From over all appreciation of the facts and circumstances of the case, relevant documents and the statement made by Sri Mukesh Kumar in his evidence, it is amply clear that bank is not at fault in not providing appointment on compassionate ground and not making payment of ex-gratia amount as per modified scheme.

15. The Nett result would be that the claim of Sri Mukesh Kumar is devoid of merit and he is not entitled for the relief claimed by him.

16. The reference is answered accordingly in favor of the bank and against Sri Mukesh Kumar.

2. 'WHETHER THE DEMAND OF THE WORKMAN SHRI MANOJ KUMAR LABOUR OF CENTRAL BANK OF INDIA DISTT DEORIA FOR REINSTATEMENT IS JUST FAIR AND LEGAL? IF YES WHAT RELIEF THE WORKMAN IS ENTITLED TO?
3. The case of workman in short is that he worked with opposite party bank during the period 9.07.91 to 31.12.2003 as daily wages at Bhatwa Tiwari Branch continuously and there after w.e.f 1.04.2004 to 3.01.2008 he worked continuously at Bangra Bazaar Branch. The Branch Manager on 3.01.2008 without any notice orally terminated the services of workman. He was neither given any notice, notice pay and retrenchment compensation despite the fact he worked more than 240 days continuously. During his employment he performed all duties of a peon regularly. It is also alleged that junior persons were retained in the service of the Bank after his termination. It is also alleged that worker was not engaged for a definite period on contract basis. Opposite party Bank has violated the mandatory provision of the act like section 25(F), 25(G) and 25(H) read with rule 76, 77 and 78.
4. Lastly it is alleged by worker that his oral termination on 3.01.2008 is neither legal nor justified hence he is entitled for reinstatement with full back wages.
5. Management in its reply has refuted the claim of the workman on a number of grounds, inter-alia stating that this tribunal has no jurisdiction to entertain and decide the present case; the reference is bad in law and defective; the workman has never been engaged or appointed by management of Central Bank of India, Regional Office, Deoria; Workman had never worked either in Bhatawa Tiwari Branch or in Bangra Bazar Branch at Deoria. He was simply daily wagger; there was no relationship of employer and employee between the Bank and workman and that workman had never been in the rolls and he had never marked his attendance in register. Worker had never been paid wages or salaries through Bank. He had never been given any appointment letter in his name by the Bank at any point of time; the reference order is bad in law in as much as no date of termination of his services had been specified by the government therefore the reference is incomplete, in-fructuous, vague, bad in law and legally not maintainable under the provision of the act therefore present reference is liable to be struck down on the aforesaid ground. Apart from the above management has filed very lengthy reply running into 80 pages and pleadings raised there in according to the view of the tribunal are not necessary to be detailed further. Hence it is prayed by management that since the claim of worker is meaningless, bogus and without any merit therefore his claim is liable to be rejected.
6. Workman has filed rejoinder statement but nothing new has been pleaded therein.
7. Worker Manoj Kumar has examined himself as WW1 and management has examined Shri K P Singh as MW1. None of the parties have filed any documentary evidence nor does any party appear to submit the arguments.
8. I have perused the entire record of the case.
9. Worker Manoj Kumar has stated in his claim statement that he was working as daily wages in Central Bank of India, Deoria from 9.07.91 to 31.12.2003 and thereafter he had served the Bank at its Bangra Bazar Branch from 1.04.2004 to 3.1.2008 and his services was terminated on the same date without any notice , notice pay and retrenchment compensation .
10. In his affidavit filed in evidence he has supported the version of claim statement stating that he was working like peon in the Bank and discharging several duties assigned to a peon.
11. In his cross examination worker has denied that he had not worked as peon in the Bank. He further stated that peons were appointed by the manager of the Bank without any advertisement and he did not receive any appointment letter and he was discharging the duties of peon under oral orders of the officers of the Bank.
12. Worker has not filed any documents to support his version or to prove that he had worked for 240 days continuously or he was performing the duties of peon on the direction of the manager. This fact could be proved by documents but no documents have been filed by the worker.
13. On the contrary MW1 Shri KP Verma officer of the Bank has filed his affidavit in evidence, Wherein he has stated that Shri Manoj Kumar had never been engaged or appointed by Bank nor he had worked as daily paid worker and there was no relationship of employer and employee between the Bank and worker and worker had neither signed any attendance register nor he was on the rolls of management nor he was ever paid any salary or wages. Worker had never been terminated.
14. On behalf of workman the witness of the Bank was not cross examined' therefore, in the absence of any positive evidence in support of his contention, the evidence of MW1 Shri KP Verma remains uncontroverted and can be believed which completely demolishes the case of worker.

15. For the reasons given above it is held that the demand of worker Shri Manoj Kumar as referred in the reference order for his reinstatement in the services of Bank is neither legal nor justified. Accordingly it is held that worker is not entitled for any relief and the reference is bound to be decided against the workman and in favor of management.

16. Reference is answered accordingly.
